

MoKo 10X

MoKo 10X Rechargeable Magnifying Glass with 21 LED Lights User Manual

Model: 10X | Brand: MoKo

INTRODUCTION

This manual provides comprehensive instructions for the MoKo 10X Rechargeable Magnifying Glass with 21 LED Lights. Designed for enhanced visual clarity, this device is ideal for reading, inspection, and exploring small details. It features a powerful 10X magnification, adjustable LED lighting, and a comfortable ergonomic design for extended use.

Please read this manual thoroughly before using the product to ensure proper operation and maintenance.

WHAT'S IN THE BOX

- MoKo 10X Rechargeable Magnifying Glass
- USB Charging Cable
- Cleaning Cloth
- Storage Pouch
- User Manual

SETUP

1. Initial Charging

Before first use, fully charge the magnifying glass. Locate the USB charging port on the handle of the device.

Image: USB charging port on the handle.

1. Connect the provided USB charging cable to the charging port on the magnifying glass.
2. Plug the other end of the USB cable into a compatible USB power adapter (not included) or a computer's USB port.
3. The charging indicator lights (if present) will show the charging status. Allow the device to charge until fully powered, typically around 5 hours for a full charge.

2. Handle Adjustment

The magnifying glass features an adjustable handle for comfortable use.

Image: Ergonomic handle design.

- Gently pivot the handle to your desired angle for handheld use.
- The handle can be folded for compact storage or extended for a comfortable grip during use.

OPERATING INSTRUCTIONS

1. Magnification

The MoKo Magnifying Glass provides 10X magnification for clear viewing of small text and objects.

MoKo VS Others

	 Clear Optical Lens (No Distortion)	1		 Regular Glass Lens (Distortion)
	 10X Magnification	2		 4X Magnification
	 21 LED Beads & 3 Lighting Modes	3		 12 LED Beads & 1 Lighting Mode
	 USB Rechargeable	4		 Battery Powered

Image: Magnifying glass in use, showing 10X magnification on text.

- Hold the magnifying glass approximately 3-5 inches (7.5-12.5 cm) above the object you wish to magnify.
- Adjust the distance slightly until the object comes into clear focus.

2. LED Lighting Modes

The device is equipped with 21 LED lights and three lighting modes to suit various environments and reduce eye strain.

UPGRADED 10X Magnifying Glass

The 90mm focal length of lens can significantly magnify small print for better reading

Image: Three adjustable lighting modes (cool, warm, mixed) for the LED lights.

1. Locate the power button on the handle.
2. Press the power button once to activate the **Cool Light** mode.
3. Press the power button a second time to switch to **Warm Light** mode.
4. Press the power button a third time to activate the **Mixed Light** mode.
5. Press the power button a fourth time to turn off the LED lights.

Choose the lighting mode that provides the most comfortable and clear viewing experience for your specific task and ambient light conditions.

MAINTENANCE

1. Cleaning the Lens

To maintain optimal clarity, keep the optical glass lens clean.

- Use the provided soft cleaning cloth to gently wipe the lens surface.
- Avoid using abrasive materials, paper towels, or chemical cleaners, as these can scratch or damage the lens.
- For stubborn smudges, lightly dampen the cleaning cloth with a small amount of lens cleaning solution or water, then gently wipe and dry.

2. Storage

When not in use, store the magnifying glass in the provided storage pouch to protect it from dust and scratches.

WIDE RANGE OF APPLICATION

Image: Magnifying glass being stored in its protective pouch.

- Store in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lights not turning on.	Low battery or device is off.	Charge the device using the provided USB cable. Ensure the power button is pressed correctly to cycle through modes.
Magnification is blurry or distorted.	Incorrect distance from object or dirty lens.	Adjust the distance between the lens and the object. Clean the lens with the provided cleaning cloth.
Handle is stiff or difficult to adjust.	Minor friction in the hinge.	Apply gentle, consistent pressure. Avoid forcing the hinge.

SPECIFICATIONS

Feature	Detail
