

Gurexl B0DNZ2L7BZ

Gurexl 360° Rotating LED Jewelry Armoire with Full-Length Mirror and Storage

Model: B0DNZ2L7BZ

INTRODUCTION

Thank you for choosing the Gurexl 360° Rotating LED Jewelry Armoire. This versatile product combines a full-length mirror, extensive jewelry storage, and convenient rear shelving, designed to enhance your daily routine and organize your accessories. Please read this manual carefully before assembly and use to ensure proper function and longevity of your product.

PRODUCT FEATURES

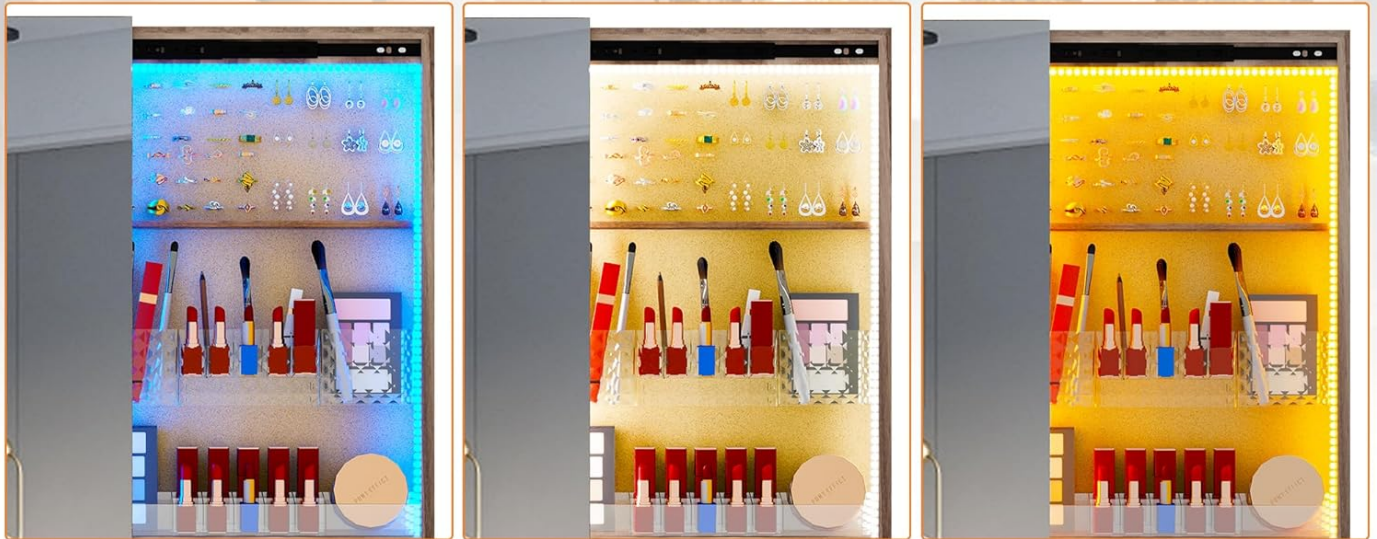

- **Full-Length Mirror:** A 64-inch high-definition frameless mirror provides a complete view of your outfit. The glass features an explosion-proof and splash-proof design for safety.
- **3-in-1 Design:** Functions as a full-length mirror, a comprehensive jewelry storage cabinet, and a rear storage rack with a stable metal hook for hanging items like keys, belts, or bags.
- **Built-in LED Lighting:** The interior features a 3-color dimmable LED light strip (cold, white, warm light) and a small high-definition mirror, ideal for makeup application and jewelry selection. Requires 3 AAA batteries (not included).
- **360° Rotation with Lockable Wheels:** Equipped with 4 lockable wheels, allowing for easy movement and secure positioning in any room.
- **Ample Storage Capacity:** The interior includes dedicated slots for rings and earrings, clear acrylic organizers for cosmetics or glasses, multiple hooks for necklaces, and several shelves for skincare products, perfumes, or other accessories.
- **Rear Storage Rack:** Provides additional shelving on the back for storing larger items such as bags, shoes, books, or gift boxes.
- **Security Lock:** Includes a lock and key mechanism to keep your valuables secure.
- **Durable Construction:** Made from engineered wood with velvet and acrylic interior components.

PRODUCT DIMENSIONS

Refer to the diagram below for detailed measurements.

3 Color LED Dimmable

Best for makeup - Bright but soft eye lighting

3 AAA Batteries Required

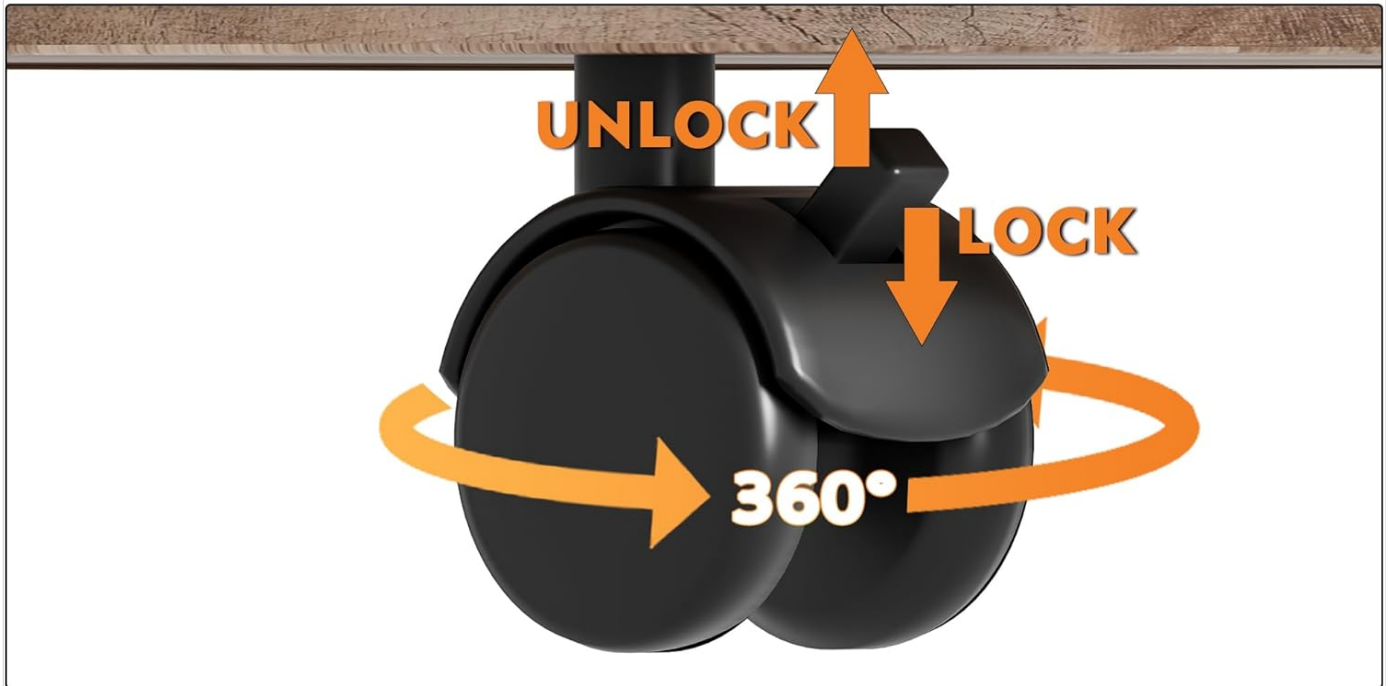

Figure 1: Product Dimensions. Height: 61.2 inches (155 cm), Width: 14.6 inches (37 cm), Depth: 14.6 inches (8 cm for rear shelves).

SETUP INSTRUCTIONS

1. **Unpacking:** Carefully remove all components from the packaging. Verify all parts are present according to the included accessory kit.
2. **Assembly:** Follow the separate assembly instructions provided with your product. Ensure all screws and fasteners are tightened securely.
3. **Battery Installation for LED Lights:** Locate the battery compartment inside the armoire (refer to Figure 2). Insert 3 AAA batteries (not included) into the compartment. Close the compartment cover.
4. **Positioning:** Place the armoire in your desired location. The 360° rotating base and lockable wheels allow for flexible placement in bedrooms, dressing rooms, or living areas.

OPERATING INSTRUCTIONS

Using the Full-Length Mirror

The exterior of the armoire features a full-length mirror. Ensure the armoire is stable before using the mirror. For optimal viewing, position the armoire in a well-lit area.

Accessing Jewelry Storage

1. **Unlocking:** Use the provided key to unlock the side door of the armoire. Turn the key to disengage the lock.
2. **Opening the Door:** Gently slide the mirror door open to reveal the interior storage compartments.
3. **Organizing Jewelry:**
 - Use the ring slots for rings.
 - Place earrings in the designated earring holes.
 - Hang necklaces on the hooks provided to prevent tangling.

- Utilize the clear acrylic organizers for smaller items like glasses, lip glosses, or other small accessories.
- Arrange skincare products, perfumes, and other items on the interior shelves.

4. **Closing and Locking:** After use, gently close the mirror door and turn the key to lock it, securing your valuables.

Using the LED Lights

Once batteries are installed, press the button inside the battery compartment to cycle through the 3 LED light colors: cold light, white light, and warm light. Select the desired lighting for your needs.

Moving and Securing the Armoire

The armoire is equipped with 4 lockable wheels for mobility. To move, ensure all wheels are unlocked. To secure the armoire in place, push down the lever on each wheel to engage the lock mechanism (refer to Figure 4).

Large Storage Capacity

Figure 4: Lockable Wheels. Illustrates how to lock and unlock the wheels for movement and stability.

Utilizing Rear Storage Shelves

The back of the armoire features multiple shelves and a metal hook for additional storage. Use these for items such as handbags, shoes, books, or other personal belongings.

MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surface. Avoid abrasive cleaners that may scratch the glass.
- **Cleaning the Cabinet:** Wipe the wooden surfaces with a soft, damp cloth. For stubborn marks, use a mild wood cleaner. Avoid excessive moisture.
- **Interior Cleaning:** The velvet lining can be gently vacuumed or dabbed with a lint roller to remove dust. Acrylic organizers can be washed with mild soap and water.
- **Battery Replacement:** Replace AAA batteries for the LED lights when they dim or stop working. Ensure correct

polarity during installation.

- **Wheel Maintenance:** Periodically check the wheels for debris and ensure they rotate smoothly. Lubricate if necessary.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|-----------------------------|---|--|
| LED lights not working | Batteries are dead or incorrectly installed. | Replace with new AAA batteries, ensuring correct polarity. Check if the power button is pressed. |
| Armoire difficult to rotate | Wheels are locked or obstructed. | Ensure all 4 wheels are in the unlocked position. Check for any debris around the wheels. |
| Door not closing properly | Obstruction inside the cabinet or misalignment. | Remove any items blocking the door. Check hinges for proper alignment and tighten if loose. |
| Mirror appears wobbly | Loose connections in the base or frame. | Inspect all assembly points and tighten screws as needed. Ensure the armoire is on a flat, stable surface. |
