2. SETUP

2.1 Charging the Smartwatch

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port.

- Charging Time: Approximately 2.5 hours for a full charge.
- Battery Life: 5-7 days of typical use, up to 20 days in standby mode.

2.2 App Installation and Pairing

To unlock the full potential of your smartwatch, download and install the 'GloryFit' app on your smartphone.

1. Scan the QR code in the watch manual or search for 'GloryFit' in your phone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Open the GloryFit app and create an account or log in.
3. Ensure Bluetooth is enabled on your smartphone.
4. In the app, navigate to 'Device' and select 'Add Device'. The app will search for your smartwatch.
5. Select 'ST2-N PRO' from the list of found devices to pair. Follow any on-screen prompts to complete the pairing process.
6. For Bluetooth call functionality, ensure your phone's Bluetooth settings show the watch as connected for calls. (Requires iOS 13 or later for one-click call connection).

2.3 Watch Face Customization

Personalize your smartwatch by changing the watch face. The watch comes with 8 built-in dials, and over 200 additional dials are available in the 'GloryFit' app. You can also customize watch faces using photos from your phone's gallery.

3. OPERATING INSTRUCTIONS

3.1 Basic Navigation

The smartwatch features a full touch screen and physical buttons for navigation:

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick functions or widgets.
- **Tap:** Select an item or confirm an action.
- **Side Buttons:** Typically used for power on/off, returning to the home screen, or quick access to specific functions.

3.2 Bluetooth Calls and AI Voice Assistant

With its built-in microphone and speaker, the smartwatch allows you to manage calls directly from your wrist.

- **Answering/Rejecting Calls:** When a call comes in, you can answer or reject it directly on the watch screen.
- **Dialing:** Access a dial pad or your contact list (up to 100 contacts can be synced) to make calls.
- **AI Voice Assistant:** Activate the voice assistant on your phone through the watch to perform various tasks using voice commands.

3.3 Notifications

Stay informed with real-time notifications for calls, messages, and app alerts directly on your smartwatch.

- The watch can receive notifications from various apps including SMS, Instagram, YouTube, Messenger, Gmail, Snapchat, Facebook, Twitter, WhatsApp, Pinterest, Hangouts, LinkedIn, Skype, Tumblr, Viber, LINE, Google+, Flickr, VK, Kao Talk, and Telegram.
- Ensure notification permissions are enabled in both your phone's settings and the GloryFit app.

3.4 Sport Modes

The smartwatch supports 124 indoor and outdoor sport modes to track your fitness activities.

- Select your desired sport mode from the watch menu.
- The watch records daily activity data such as steps, calories burned, distance covered, and activity time.
- Connect to your mobile phone's GPS for more accurate outdoor activity tracking.

4. MAINTENANCE

4.1 Cleaning

To maintain the appearance and functionality of your smartwatch:

- Wipe the screen and strap regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry before charging.

4.2 Water Resistance

The smartwatch has an IP67 water resistance rating.

- It provides daily protection against splashes and brief immersions (e.g., hand washing, rain).

- **Do not use the watch for swimming, showering with hot water, or diving.**Prolonged exposure to water should be avoided.

4.3 Battery Care

- Avoid extreme temperatures, which can affect battery life.
- Do not leave the watch fully discharged for extended periods.
- Use only the provided charging cable.

5. TROUBLESHOOTING

If you encounter any issues with your LIGE ST2-N PRO Smartwatch, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged.
- **Cannot pair with phone:** Ensure Bluetooth is enabled on both devices, the watch is within range, and the GloryFit app is updated. Try restarting both the watch and the phone.
- **Notifications not received:** Check notification permissions in your phone's settings and within the GloryFit app. Ensure the app is running in the background.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors regularly.
- **Short battery life:** Reduce screen brightness, disable unnecessary features, and ensure no apps are draining power excessively in the background.

For more complex issues, please refer to the Warranty & Support section for contact information.
