SAFETY INFORMATION

Your safety is important. Please adhere to the following safety guidelines:

- **Anti-Tipping Device:** Always install the provided anti-tipping device and secure the dresser to the wall. This is crucial to prevent accidental tipping, especially in households with children or pets.

Should you encounter any issues with your Xixini Fluted Dresser, consider the following common solutions:

- **Drawers Not Closing Smoothly:** Check if the drawer slides are properly aligned and free of obstructions. Ensure no items are blocking the drawer's path.
