› WLIVE LED TV Stand for 65 Inch TV, Modern Entertainment Center with Adjustable Glass Shelves & Customizable LED Lights, Sturdy Media Console for Living Room, Bedroom, Gaming (Brown) Rustic Brown 58 Inch User Manual

WLIVE ADSG048

WLIVE LED TV Stand User Manual

Model: ADSG048

1. PRODUCT OVERVIEW

The WLIVE LED TV Stand is a modern and versatile entertainment center designed to accommodate televisions up to 65 inches. It features a robust construction with adjustable tempered glass shelves and integrated customizable LED lighting, offering both practical storage and an enhanced viewing atmosphere. Its sleek design and rustic brown finish complement various home decors.

2. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 150 pounds on the top shelf. Distribute weight evenly across all shelves.
- **Stability:** Ensure the TV stand is placed on a flat, level surface to prevent tipping.
- **Assembly:** Follow all assembly steps precisely. Do not overtighten screws.
- **Electrical Safety:** For LED lights, ensure proper connection to a power source. Do not expose LED components to water or excessive moisture.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly.
- **Maintenance:** Use only recommended cleaning methods to avoid damage to the finish or electrical components.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. If any items are missing or damaged, please contact customer support.

Typical Components:

- Main panels (top, bottom, side panels)
- Back panels with cable management holes
- Adjustable tempered glass shelves
- LED light strips and power adapter
- Remote control for LED lights
- Assembly hardware (screws, dowels, cam locks, etc.)
- Assembly instructions manual

4. SETUP AND ASSEMBLY

Assembly of the WLIVE LED TV Stand is designed to be straightforward. It is recommended to have two people for assembly to ensure stability and ease of handling larger components. Please refer to the detailed step-by-step instructions included in your product packaging for precise assembly guidance.

General Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts using the provided parts list.
3. Assemble the main frame of the TV stand according to the diagrams.
4. Install the adjustable tempered glass shelves into the designated slots.
5. Attach the back panels, ensuring proper alignment for cable management.
6. Install the LED light strips in the designated areas, typically along the inner edges of the shelves or compartments.
7. Connect the LED light strips to the power adapter.
8. Place the TV stand in its desired location, ensuring it is stable and level.

SPECIFICATION

LED TV STAND DIMENSIONS

TV Stand Size: **58.3"W×15.4"D×20.8"H**

LED Strips: **2 LED Strips**

Available in 3 additional colors:

Figure 4.1: The design allows for spacious storage and flexible configurations.

STURDY STRUCTURE

The thickened bottom provides a more stable structure and ensures load bearing.

Figure 4.2: Adjustable glass shelves provide customizable storage options.

5. OPERATING INSTRUCTIONS (LED LIGHTS)

The WLIVE LED TV Stand features customizable LED mood lighting to enhance your entertainment experience. The lights are controlled via an included remote control.

Remote Control Functions:

- **Power Button:** Turns the LED lights ON/OFF.
- **Color Selection:** Choose from 7 main colors (Red, Green, Blue, White, Yellow, Cyan, Purple) and various RGB combinations.
- **Brightness Adjustment:** Adjust the light intensity (typically 20%-100%).
- **Mode Selection:** Cycle through dynamic modes such as flash, strobe, fade, or smooth transitions.
- **Remote Range:** The remote control typically operates effectively within a 15-meter range.

6. MAINTENANCE

To ensure the longevity and appearance of your WLIVE LED TV Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish and electrical components.
- **Dusting:** Regularly dust the stand with a soft, dry cloth to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **LED Lights:** Ensure the LED strips and connections remain dry and free of dust.
- **Structural Integrity:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Figure 6.1: The TV stand features waterproof surfaces and a sturdy structure for durability.

7. TROUBLESHOOTING

If you encounter any issues with your WLIVE LED TV Stand, please refer to the following common troubleshooting tips:

LED Lights Not Working:

- **Check Power Connection:** Ensure the power adapter is securely plugged into both the LED strip and a working electrical outlet.
- **Remote Battery:** Verify the remote control battery is correctly inserted and has sufficient charge. Replace if necessary.
- **Remote Line of Sight:** Ensure there are no obstructions between the remote and the LED receiver.
- **LED Strip Connection:** Check that the LED strips are properly connected to the controller.

Stand Instability:

- **Level Surface:** Ensure the TV stand is placed on a completely flat and level surface.
- **Tighten Hardware:** Re-check and tighten all assembly screws and fasteners.
- **Weight Distribution:** Ensure weight is evenly distributed and not exceeding the maximum capacity.

If problems persist after attempting these solutions, please contact WLIVE customer support for further assistance.
