Vilbocr Micro Mini Block Pets Building Kit Instruction Manual

Model: B0DP1X71TY

1. INTRODUCTION

This instruction manual provides detailed guidance for assembling your Vilbocr Micro Mini Block Pets building kit. This kit allows you to construct detailed models of various dog breeds using micro-sized building blocks. The specific models included in this kit are the Papillon, Chihuahua, and Beagle. Each model consists of approximately 90-130 parts and is designed for individuals aged 15 years and up. Following these instructions carefully will ensure a successful and enjoyable building experience.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

This product contains small parts which may pose a choking hazard. Keep all components out of reach of young children. The manufacturer recommended age for this product is 15 years and up due to the intricate nature and small size of the building blocks.

3. WHAT'S IN THE BOX

Upon opening your Vilbocr Micro Mini Block Pets kit, you should find the following components:

- Micro-sized building blocks (separated by model or color, depending on packaging)
- Individual instruction manuals for each dog model
- Sticker sheets for detailing dog features

Please verify that all components are present before beginning assembly. If any parts are missing, refer to the Troubleshooting section.

4. SETUP

1. **Unpack Components:** Carefully remove all contents from the packaging.
2. **Prepare Workspace:** Choose a clean, well-lit, and flat surface for assembly. Ensure there is enough space to spread out the building blocks and instruction manuals.
3. **Sort Blocks:** It is recommended to sort the micro blocks by color or shape before starting. This will significantly aid in the assembly process and reduce frustration.

5. OPERATING INSTRUCTIONS (ASSEMBLY)

Each dog model comes with its own specific instruction manual. Follow the step-by-step diagrams provided in each manual for accurate assembly. The general process involves:

1. **Identify Model:** Select the dog model you wish to build first (e.g., Papillon, Chihuahua, or Beagle).
2. **Locate Instructions:** Find the corresponding instruction manual for that specific dog model.
3. **Follow Diagrams:** Each step in the manual will show a diagram of which blocks to use and where to place them. Pay close attention to the orientation and color of the blocks.
4. **Apply Stickers:** Once the model is fully assembled, use the provided stickers to add facial features and other details as indicated in the instructions.

6. MAINTENANCE

- **Cleaning:** To clean the assembled models, gently wipe them with a dry, soft cloth. Avoid using water or chemical cleaners, as these may damage the blocks or stickers.
- **Storage:** Store the assembled models in a dry, dust-free environment away from direct sunlight to prevent discoloration or damage.
- **Disassembly:** If you wish to disassemble a model, carefully separate the blocks. Keep all small parts organized to prevent loss.

7. TROUBLESHOOTING

- **Missing Parts:** If you find any missing blocks or components, please contact Vilbocr customer support with details of the missing parts and your purchase information.
- **Difficulty Connecting Blocks:** Ensure blocks are correctly aligned before applying gentle pressure. Avoid forcing blocks together, as this can cause damage.
- **Model Instability:** Double-check all connections according to the instruction manual. Ensure each block is firmly pressed into place.
