SETUP AND ASSEMBLY

Follow the included detailed instruction manual step-by-step to assemble your CUBIMANA City Transporter Truck Building Set. The assembly process is designed to be engaging and educational, promoting hands-on skills and logical thinking.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. It is recommended to organize pieces by type or color to facilitate assembly.
2. **Assemble the Truck Cab:** Begin by constructing the semi-trailer truck's cab, paying attention to the details of the removable roof and openable doors.
3. **Assemble the Car Transporter Trailer:** Proceed with the trailer assembly, ensuring the adjustable loading ramp mechanism is correctly installed.
4. **Construct the Sports Cars and Motorcycles:** Assemble the five racing cars and two motorcycles according to their individual instructions.
5. **Build the Repair Workshop:** Assemble the repair workshop, including the liftable loading ramp and detachable racing simulator room.
6. **Connect the Truck and Trailer:** Once both the truck cab and trailer are complete, connect them securely.

OPERATING INSTRUCTIONS

The CUBIMANA City Transporter Truck Building Set offers multiple interactive features for dynamic play:

- **Loading and Unloading Cars:** Utilize the adjustable loading ramp on the trailer to load and unload up to seven sports cars and motorcycles. The upper and rear ramps can be raised and lowered for easy

access.

- **Semi-Trailer Transformation:** The truck head can be separated from the trailer, allowing for independent play with the semi-trailer truck.
- **Car Launch Feature:** Lower the second ramp on the trailer and flick the lever to launch a car off the ramp, simulating a racing start.
- **Repair Workshop Play:** Use the included repair workshop accessories to simulate car maintenance and preparation for races. The workshop features a liftable loading ramp and a detachable racing simulator room.

MAINTENANCE

To ensure the longevity and cleanliness of your building set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the building blocks with a soft, damp cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled set or individual blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Handling:** Handle the assembled models with care to prevent pieces from detaching.

TROUBLESHOOTING

If you encounter any issues with your CUBIMANA City Transporter Truck Building Set, consider the following:

- **Missing Pieces:** Double-check all packaging materials. If a piece is genuinely missing, please contact customer support with details of the missing part.
- **Assembly Difficulties:** Refer to the instruction manual carefully. Ensure all steps are followed in sequence and that pieces are oriented correctly. Sometimes, a small misalignment can prevent subsequent steps.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Building blocks are designed for a snug fit.
