Amazfit Charging Base

Amazfit Charging Base User Manual

For Amazfit T-Rex 3, T-Rex 3 Pro, Balance 2, Helio Strap, and Active Max Smartwatches

1. INTRODUCTION

This manual provides essential instructions for the proper use and maintenance of your Amazfit Charging Base. This charging base is designed to provide stable and efficient charging for compatible Amazfit smartwatches.

Compatible Devices:

- Amazfit T-Rex 3
- Amazfit T-Rex 3 Pro
- Amazfit Balance 2
- Amazfit Helio Strap
- Amazfit Active Max

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- 1 x Amazfit Charging Base (Replacement Charger Dock)

Note: A USB Type-C charging cable and power adapter are NOT included and must be supplied separately.

3. SETUP INSTRUCTIONS

1. **Connect the Charging Base:** Insert a standard USB Type-C cable (not included) into the port on the back of the charging base. Connect the other end of the USB Type-C cable to a compatible USB power adapter (e.g., 5V/1A) or a USB port on a computer.

2. **Prepare Your Smartwatch:** Ensure your Amazfit smartwatch is clean and dry before placing it on the charging base.
3. **Place Smartwatch on Base:** Gently place your compatible Amazfit smartwatch onto the charging base. The base features a magnetic design that will automatically align the smartwatch for proper contact. Ensure the charging pins on the smartwatch align with the contacts on the charging base.

4. OPERATING INSTRUCTIONS

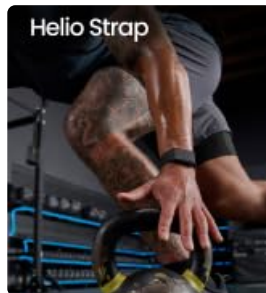

Once the smartwatch is correctly placed on the charging base and the base is connected to a power source, charging will begin automatically. The smartwatch display will typically indicate that it is charging.

Magnetic Alignment: The strong magnetic alignment ensures your smartwatch snaps into place easily and maintains a secure connection throughout the charging process.

Compatible Smartwatches:

Amazfit T-Rex 3 Pro

Amazfit Helio Strap

Amazfit Active Max

Amazfit Balance 2

5. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the charging base. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the product.
- **Storage:** Store the charging base in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Safety:** Do not expose the charging base to water or excessive moisture. Do not attempt to disassemble or modify the charging base. Keep out of reach of children.

6. TROUBLESHOOTING

- **Smartwatch not charging:**
 - Ensure the USB Type-C cable is securely connected to both the charging base and the power source.
 - Verify that the power adapter or USB port is functional and providing adequate power (e.g., 5V/1A).
 - Check that the smartwatch is correctly aligned on the charging base and the charging pins are making proper contact.
 - Ensure there is no debris or obstruction between the smartwatch and the charging base contacts.
- **Slow charging:**
 - Ensure you are using a power adapter that provides sufficient output (e.g., 5V/1A). Lower power sources may result in slower charging.
 - Avoid charging in extremely hot or cold environments, as this can affect charging efficiency.

7. SPECIFICATIONS

Feature	Specification
Brand	Amazfit
Model	Charging Base
Connector Type	USB Type-C (cable not included)
Compatible Devices	Amazfit T-Rex 3, T-Rex 3 Pro, Balance 2, Helio Strap, Active Max
Input Voltage	5 Volts
Output Current	1 Amps
Wattage	5 Watts
Special Feature	Magnetic Alignment
Color	Black
Material	Plastic
Item Weight	0.03 Kilograms
