## Safety Information

---

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Do not overload drawers or shelves to prevent tipping or damage.
- Place the vanity on a flat, stable surface.
- Avoid exposing the vanity to excessive moisture or direct sunlight.
- Only use the provided power outlets for devices within the specified voltage and current limits.

## Package Contents

---

Please verify that all components are present before beginning assembly:

- Vanity Desk Components (numbered panels)
- Mirror with 11 Light Bulbs

- Cushioned Stool
- Hardware Kit (screws, dowels, drawer slides, etc.)
- Built-in Power Outlet Unit (2 AC, 1 USB, 1 Type-C)
- Assembly Instructions Manual

## Setup and Assembly

---

Assembly of the vanity desk is designed to be straightforward. All parts are clearly labeled to assist with the process. It is recommended to assemble the unit in the room where it will be used.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches. Group parts by their numerical labels as indicated in the instruction manual.
2. **Assemble Base Structure:** Follow the step-by-step diagrams in the included assembly manual to connect the main panels of the desk and drawer units. Ensure all cam locks and screws are tightened securely.
3. **Install Drawer Slides:** Attach the drawer slides to the interior of the drawer compartments and to the sides of the drawer boxes as per the instructions.
4. **Assemble Drawers:** Construct the 5 drawers and install them into their respective compartments.
5. **Attach Mirror and Cabinet:** Securely attach the mirror unit and the side cabinet to the main desk structure.
6. **Install Lighting:** Connect the 11 light bulbs to the mirror frame. Ensure all connections are firm.
7. **Integrate Power Outlet:** Install the built-in power outlet unit into its designated slot.
8. **Assemble Stool:** Follow the instructions to assemble the cushioned stool.
9. **Final Check:** Verify that all connections are secure and the vanity is stable before use.

## Operating Instructions

### Adjustable Lighting System

The vanity mirror is equipped with 11 LED light bulbs offering three color modes and adjustable brightness to suit your needs for various makeup applications and lighting conditions.

- **Power On/Off:** Locate the touch switch on the mirror frame to turn the lights on or off.
- **Change Color Mode:** Briefly touch the switch to cycle through the three lighting modes:
  - **Cold White:** Bright, clear light ideal for detailed makeup application.
  - **Warm White:** Softer, warmer light for a natural look.
  - **Warm Yellow:** Cozy, ambient light for evening routines.

- **Adjust Brightness:** Press and hold the touch switch to smoothly adjust the brightness level. Release when the desired brightness is achieved.

### Built-in Charging Station

The vanity includes a convenient power outlet with multiple ports to charge your electronic devices directly at your workstation.

- **AC Outlets:** Two standard 125V/25A AC plug sockets are available for hair tools, lamps, or other small appliances.
- **USB Ports:** One 5V/2A USB port is provided for charging smartphones, tablets, and other USB-powered devices.
- **Type-C Port:** One 5V/2A Type-C port offers modern connectivity for compatible devices.
- Ensure devices are compatible with the specified voltage and current.

## Maintenance and Care

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For the mirror, use a glass cleaner.
- **Dusting:** Regularly dust the vanity with a dry, soft cloth to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Light Bulbs:** If a light bulb needs replacement, ensure the vanity is unplugged. Replace with bulbs of the same type and wattage.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.

## Troubleshooting

Problem	Possible Cause	Solution
Lights not turning on.	Power cord unplugged, loose bulb, faulty switch, power outage.	Check power connection. Ensure bulbs are screwed in tightly. Test the power outlet with another device. Contact support if issues persist.
Drawers are difficult to open/close.	Drawer slides not aligned, screws loose, drawer overloaded.	Empty the drawer. Check if drawer slides are properly installed and aligned. Tighten any loose screws on the slides or drawer box.
Vanity feels wobbly.	Loose assembly screws, uneven floor.	Re-tighten all assembly screws. Use furniture pads or shims under the legs to level the vanity on uneven surfaces.
Charging ports not working.	Power cord unplugged, device not compatible, faulty port.	Ensure the vanity is plugged into a live outlet. Try a different device or cable. Contact support if the ports remain non-functional.

## Specifications

---

- **Brand:** CollaredEagle
- **Model Number:** VD001-WH-CE5
