PRODUCT OVERVIEW

The JUEDUR R700 is a high-performance 10-inch Android tablet designed for versatile use. It features a robust octa-core processor, ample memory, and a vibrant HD IPS display.

- **Powerful Performance:** Equipped with a 1.8GHz octa-core A523 CPU and 20GB RAM (6GB physical + 14GB virtual) for smooth multitasking and application launch.
- **Generous Storage:** 128GB internal ROM, expandable up to 1TB with a TF card, provides extensive space for all your content.
- **Stunning Display:** A 10.1-inch 800x1280 HD IPS display with Widevine L1 support for high-quality video streaming on platforms like Prime Video, Hulu, and Disney.
- **Latest Android OS:** Runs on the Android 14 operating system, offering enhanced privacy protection and customizable widgets.
- **Advanced Connectivity:** Supports WiFi 6 (2.4G + 5G) for stable and fast internet, and Bluetooth 5.0

for seamless peripheral connections.

- **Long-lasting Battery:** An 8000mAh battery provides hours of usage for browsing, media consumption, and gaming.

WIFI 6 Protocol & Bluetooth 5.0

The wifi6 protocol covers both the 2.4G and 5G WIFI bands and offers faster connection speeds, higher bandwidth, more secure connection technology, and lower latency.

SETUP

1. Initial Power On

Press and hold the power button located on the side of the tablet until the JUEDUR logo appears. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account.

2. Connecting the Bluetooth Keyboard

1. Ensure the keyboard is charged and powered on.
2. On your tablet, go to **Settings > Connected devices > Pair new device**.
3. Select the Bluetooth keyboard from the list of available devices and follow any on-screen pairing instructions.

3. Connecting the Wireless Mouse

1. Open the battery compartment of the mouse and insert the required batteries (not included).
2. Locate the USB signal receiver inside the mouse's battery compartment and remove it.
3. Connect the provided USB-C adapter to the tablet's USB-C port.
4. Insert the USB signal receiver into the female end of the USB-C adapter. The mouse should now be connected and ready for use.

OPERATING YOUR TABLET

Basic Navigation

Use the touchscreen for intuitive navigation. Swipe, tap, and pinch to interact with apps and content. The connected keyboard and mouse offer a traditional desktop-like experience for productivity tasks.

Key Features

- **Split-Screen Function:** Multitask efficiently by running two applications side-by-side. For example, read a book while watching a video.

- **Casting to Smart TV:** Share your tablet's screen content directly to a compatible smart TV for a larger viewing experience.
- **Facial Recognition:** Unlock your device quickly and securely using facial recognition technology.
- **Google Kids Space:** Utilize the built-in Google Kids Space to manage app access and set usage limits for children, ensuring a safe digital environment.

10 inch IPD Touchscreen with Widevine L1

Widevine L1 allows movie enthusiasts to watch 1080p videos anytime, anywhere on platforms like Prime Video, Hulu, Disney, etc. **Tips:** This tablet doesn't support Netflix FHD Videos.

DISPLAY AND MEDIA

The JUEDUR R700 tablet offers an immersive visual and audio experience:

- **HD IPS Display:** Enjoy vibrant visuals on the 10.1-inch 800x1280 IPS display.
- **Widevine L1 Support:** Stream 1080p videos from popular platforms like Prime Video, Hulu, and Disney with high fidelity.
- **Dual Speakers:** Experience clear audio with the integrated dual speakers.
- **3.5mm Headphone Jack:** Connect your favorite headphones for private listening.

MAINTENANCE

To ensure the longevity and optimal performance of your JUEDUR R700 tablet, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid abrasive materials or harsh chemicals.
- **Software Updates:** Regularly check for and install system updates to ensure your tablet has the latest features, security patches, and performance improvements. Go to **Settings > System > System update**.
- **Battery Care:** Avoid fully discharging the battery frequently. For best battery health, try to keep the charge between 20% and 80%.
- **Storage Management:** Periodically clear unnecessary files and uninstall unused apps to free up storage space and maintain performance.

TROUBLESHOOTING

If you encounter any issues with your JUEDUR R700 tablet, refer to the following common solutions:

- **Device Not Turning On:** Ensure the tablet is sufficiently charged. Connect it to the charger and wait a few minutes before attempting to power it on again.
- **Screen Unresponsive:** Perform a forced restart by holding down the power button for approximately 10-15 seconds.
- **Wi-Fi Connectivity Issues:** Check if Wi-Fi is enabled in settings. Try restarting your router and the tablet. Forget the network and reconnect.
- **Bluetooth Pairing Problems:** Ensure both devices are in pairing mode and within range. Restart Bluetooth on both devices.
- **Apps Crashing:** Clear the cache of the problematic app via **Settings > Apps > [App Name] > Storage & cache**. If the issue persists, try reinstalling the app.
