2. SAFETY INFORMATION

Your safety is paramount. Please read and adhere to all safety instructions before assembly and use.

- **Anti-Tipping Straps:** Always secure the dresser to the wall using the provided anti-tipping straps. This prevents accidental tipping and ensures enhanced safety and stability, especially in households with children or pets.
- **Weight Distribution:** Do not place excessively heavy objects on the top surface or in the drawers. Distribute weight evenly across drawers to maintain stability.
- **Placement:** Keep the dresser away from heat sources, direct sunlight, and areas with high humidity to prevent

material damage.

- **Assembly:** Follow the assembly instructions carefully. Incorrect assembly can compromise the dresser's stability and safety.
- **Drawer Safety:** The dual anti-slip design prevents drawers from accidentally slipping out. A reinforced bottom plate and damping design enhance overall stability and load-bearing capacity.

MORE STURDY & STABLE

To protect the safety of your family, please install Anti-tipping Device and back clips.

4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. Please follow the step-by-step instructions provided in the included Assembly Guide. A Phillips head screwdriver and a hammer (not included) may be required.

1. **Prepare Workspace:** Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.
2. **Attach Drawer Slides:** Secure the drawer slides to the inner side panels of the dresser and to the outer sides of the drawer boxes as shown in the diagram.
3. **Assemble Drawers:** Connect the drawer side, back, and front panels using the provided hardware. Insert the drawer bottom panels into the grooves. Attach the metal handles to the drawer fronts.
4. **Construct Dresser Frame:** Assemble the main frame of the dresser by connecting the top, side, and back panels. Ensure all connections are secure.
5. **Insert Drawers:** Carefully slide the assembled drawers into the dresser frame, aligning the drawer slides.
6. **Install Anti-Tipping Device:** For safety, attach the anti-tipping straps to the back of the dresser and secure them to a wall stud using the provided hardware.
7. **Apply Non-slip Pads:** Attach the non-slip pads to the bottom of the dresser legs to protect your floor and prevent movement.

7. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your RoyalCraft dresser.

- **Cleaning:** The dresser is constructed from P2 certified medium density fiberboard and coated with an ASTM finish, making it water-resistant and easy to clean. Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the finish.
- **Paint Quality:** The dresser features a low odor safety paint, ensuring a healthier indoor environment.
- **Avoid Scratches:** Use coasters or protective pads under items placed on the dresser top to prevent scratches.

8. TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

- **Drawers are Sticking/Not Sliding Smoothly:**

- Check if the drawer slides are correctly aligned and securely fastened.
- Ensure no objects are obstructing the drawer's path.
- Verify that the drawer box is assembled squarely.

- **Dresser Wobbles:**

- Ensure all assembly screws and cam locks are tightened.
- Confirm the dresser is placed on a level surface.
- Re-check the installation of the anti-tipping device.

- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact RoyalCraft customer service immediately for assistance.
