Karl home 3-Seat & 1-Ottoman

Karl home Modular Sectional Sofa with Ottoman (3-Seat, Dusty-Blue) Instruction Manual

Model: 3-Seat & 1-Ottoman Linen Dusty-blue

1. INTRODUCTION

Thank you for choosing the Karl home Modular Sectional Sofa with Ottoman. This manual provides detailed instructions for the assembly, use, and maintenance of your new furniture. Please read these instructions carefully before assembly and retain them for future reference.

Product Overview

The Karl home Modular Sectional Sofa is designed for flexible configuration, allowing you to customize its layout to suit your living space. It features deep seating, comfortable cushions, and durable linen upholstery, making it a versatile addition to any room.

2. SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not stand on the sofa or ottoman.
- Keep small parts away from children during assembly to prevent choking hazards.
- Place the sofa on a level surface to prevent tipping.
- Do not exceed the maximum weight limit of 1000 pounds.

3. PACKAGE CONTENTS

Your Karl home Sectional Sofa is typically shipped in multiple boxes. Please verify that all parts are present before beginning assembly. The package should include:

- Sofa modules (e.g., middle sections, armrest sections)
- Ottoman module
- Seat cushions (2-layer high-resiliency foam)
- Back cushions
- Removable armrests
- Solid wood legs
- Assembly hardware (bolts, washers, Allen wrench)
- Instruction manual

All necessary assembly tools are included.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended to have two people for easier assembly. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify all components and hardware using the provided parts list.
2. **Attach Legs:** For each sofa and ottoman module, attach the solid wood legs to the designated points on the bottom of the frame. Ensure they are tightened securely.
3. **Assemble Modules:** Connect the individual sofa modules (e.g., middle sections, armrest sections) using the provided connectors. It is often easier to place the modules on their back during this step to align the connection points. Do not fully tighten all bolts until all pieces are loosely connected.
4. **Install Armrests:** Attach the removable armrests to the side modules. Some armrests may use Velcro for secure attachment.
5. **Place Cushions:** Once the frame is assembled, unwrap and place the seat and back cushions. Allow vacuum-packed cushions a few days to fully expand. The seat cushions are designed with Velcro on the underside to fix them to the sofa base, preventing movement.
6. **Final Tightening:** Once all modules are connected and aligned, fully tighten all bolts using the provided Allen wrench.

Modular Configuration

The modular design allows for various arrangements. You can create an L-shape, a straight sofa, or separate seating units. The image below illustrates potential combinations.

Freely Combinations

5. USAGE

Your Karl home Sectional Sofa is designed for comfort and versatility. The deep seats and plush cushions provide a relaxing experience. The ottoman can be used as a footrest, extra seating, or combined with a sofa module to create a chaise lounge.

Product Features

- **Flexible Modular Combination:** Easily reconfigure the sofa to fit your space and needs.
- **Comfortable Seating:** Features 2-layer seat cushions with high-resiliency foam and thick removable armrests for a soft and supportive feel.
- **Linen Fabric Upholstery:** The soft linen fabric provides a comfortable touch.
- **Solid Construction:** Built with a solid wood frame and metal back frame for stability and durability.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your sofa.

- **Cleaning:** For general cleaning, vacuum regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, use a mild fabric cleaner specifically designed for linen upholstery, testing on an inconspicuous area first.
- **Cushion Care:** The seat cushion covers are removable for cleaning. Follow the care instructions on the fabric label. Fluff and rotate cushions periodically to maintain their shape and even wear.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use curtains/blinds.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, abrasive cleaners, or bleach, as these can damage the fabric.

7. TROUBLESHOOTING

Issue: Cushions appear flat or not fully expanded.

Solution: Cushions are often vacuum-packed for shipping. Allow up to 72 hours for them to fully expand and regain their shape after unpacking. Fluffing them manually can also help.

Issue: Back cushions do not stay in place.

Solution: The sofa is designed with Velcro on the back cushions and frame to help secure them. Ensure the Velcro strips are properly aligned and pressed together. If needed, additional furniture grippers or non-slip pads can be placed behind the cushions.

Issue: Sofa feels too low to the ground.

Solution: The sofa's design features a lower profile. If a higher seating position is desired, replacement

legs of a different height may be purchased from third-party retailers, ensuring compatibility and stability.

Issue: Difficulty aligning modules during assembly.

Solution: Ensure all bolts are only finger-tightened initially. Once all modules are in place and aligned, then proceed to fully tighten all connections. Placing the modules on their back can provide better access and alignment for connecting hardware.

8. SPECIFICATIONS

Brand	Karl home
Model	3-Seat & 1-Ottoman
Color	Linen Dusty-blue
Product Dimensions (D x W x H)	55.1" x 120.8" x 33.4"
