Brightever A0312

Brightever A0312 Outdoor Wall Light Instruction Manual

Model: A0312

1. PRODUCT OVERVIEW

The Brightever A0312 Outdoor Wall Light is a modern LED fixture designed for exterior use. It features a durable matte metal frame, crystal bubble glass, and integrated LED chips. This product is waterproof, corrosion-resistant, and energy-efficient, providing 1000 lumens of 3000K warm white light.

2. SAFETY INFORMATION

- Always turn off power at the circuit breaker before installation, servicing, or removing the fixture.
- Consult a qualified electrician if you are not familiar with electrical installations.
- Ensure all electrical connections are secure and comply with local codes and ordinances.
- Do not attempt to modify the fixture. Any modifications may void the warranty and create a safety hazard.

3. PACKAGE CONTENTS

The package includes the following items:

- Brightever A0312 Outdoor Wall Light Fixture (2 units)
- Mounting Hardware
- Instruction Manual

4. INSTALLATION GUIDE

The Brightever A0312 Outdoor Wall Lights come pre-assembled for quick and easy installation. All necessary mounting hardware is included.

Steps:

1. **Prepare for Installation:** Turn off the power at the main circuit breaker.
2. **Remove Old Fixture (if applicable):** Carefully disconnect and remove any existing wall light fixture.
3. **Attach Mounting Plate:** Secure the provided mounting plate to your junction box using the included screws. Ensure it is firmly attached.
4. **Connect Wiring:** Connect the electrical wires from the fixture to the corresponding wires from your junction box. Typically, black wire to black (live), white wire to white (neutral), and green/bare copper wire to green/bare copper (ground). Use wire nuts to secure connections.
5. **Mount the Fixture:** Carefully align the fixture with the mounting plate and secure it with the decorative nuts or screws provided. Ensure wires are tucked neatly into the junction box.
6. **Restore Power:** Turn the power back on at the circuit breaker.

5. OPERATING INSTRUCTIONS

The Brightever A0312 Outdoor Wall Light features integrated LED technology, eliminating the need

for traditional bulbs. The light is controlled via a standard wall switch (not included) connected to your home's electrical system.

- **Power On/Off:** Use the wall switch connected to the fixture to turn the light on or off.
- **Light Output:** The integrated 10W LED chips provide 1000 lumens of 3000K warm white light.

6. MAINTENANCE

The Brightever A0312 Outdoor Wall Light is designed for minimal maintenance due to its integrated LED and durable construction.

- **Cleaning:** To clean the fixture, ensure power is off. Wipe with a soft, damp cloth. Avoid abrasive cleaners or solvents that could damage the finish or glass.
- **LED Lifespan:** The integrated LED has a life expectancy of over 50,000 hours, meaning no bulb replacement is needed.
- **Weather Resistance:** The fixture is designed to be waterproof, rust-proof, and corrosion-resistant, suitable for various outdoor environments.

7. TROUBLESHOOTING

If your Brightever A0312 Outdoor Wall Light is not functioning correctly, please refer to the following common issues and solutions:

- **Light does not turn on:**
 - Check the circuit breaker to ensure power is supplied to the fixture.
 - Verify all wire connections are secure and correctly matched (black to black, white to white, ground to ground).
 - Ensure the wall switch is in the 'ON' position.
- **Light flickers:**
 - Check for loose wire connections.
 - Ensure the voltage supply is stable and within the specified range (120 Volts).

If issues persist after attempting these steps, please contact Brightever customer support for assistance.

8. SPECIFICATIONS

Feature	Specification
Brand	Brightever
Model Name	A0312
Color	Black
Material	Iron, Crystal
Style	Modern
Light Source Type	LED (Integrated)
Wattage	10 watts
Brightness	1000 Lumen
Color Temperature	3000 Kelvin (Warm White)
Voltage	120 Volts
Product Dimensions	4.5"L x 5.6"W x 13"H

Feature	Specification
Indoor/Outdoor Usage	Outdoor
Special Features	Anti-Rust, Energy Efficient, Waterproof
Water Resistance Level	Waterproof
Item Weight	9.31 pounds (for 2-pack)

9. WARRANTY & SUPPORT
