BORNOON BRN009

BORNOON Vanity Desk with Mirror & Lights

User Manual - Model: BRN009

1. INTRODUCTION

Thank you for choosing the BORNOON Vanity Desk with Mirror & Lights. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new vanity desk. Please read this manual thoroughly before assembly and retain it for future reference.

2. SAFETY INFORMATION

WARNING: To reduce the risk of serious injury, always follow these safety precautions:

- Always unplug the vanity from the power source before assembly, disassembly, cleaning, or maintenance.
- Be cautious of sharp edges and pinch points during assembly and use.
- Do not exceed the weight limit of the vanity's shelves and drawers. Refer to specifications for details.
- Keep all electrical components (mirror lights, charging station) dry and away from water or excessive moisture.
- Avoid placing the vanity near heat sources or in direct sunlight for prolonged periods, as this may damage the material.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- Always follow the manufacturer's instructions for safe use and maintenance.

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included assembly

guide for a detailed list of components and hardware. If any parts are missing or damaged, please contact customer support immediately.

Typical components include:

- Vanity Desk Panels (various sizes)
- Mirror with LED Lights
- Drawers and Drawer Slides
- Cabinet Doors and Hinges
- Shelves
- Power Outlet/USB Module
- Hardware Pack (screws, dowels, cam locks, etc.)
- Assembly Instructions Manual

4. ASSEMBLY INSTRUCTIONS

Assembly of your BORNOON Vanity Desk is designed to be straightforward with clear, step-by-step instructions and labeled parts. We recommend assembling the vanity in the room where it will be used to avoid moving it after completion.

General Assembly Steps:

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., carpet or blanket) to prevent scratches. Identify each part using the labels and the assembly diagram.
2. **Assemble Base Structure:** Begin by assembling the main desk frame, attaching side panels, back panels, and support beams as indicated in the manual.
3. **Install Drawers and Cabinets:** Follow instructions to install drawer slides, assemble drawers, and attach cabinet doors with their hinges.
4. **Attach Mirror and Shelving Unit:** Securely attach the mirror and the upper shelving unit to the main desk structure. Ensure all connections are firm.
5. **Connect Electrical Components:** Install the power outlet/USB module into its designated slot. Route the power cord safely.
6. **Final Checks:** Once assembled, ensure all screws are tightened, and the vanity is stable. Plug in the power cord to test the lights and charging station.

5. OPERATING INSTRUCTIONS

5.1. LED Lighted Mirror

The vanity mirror is equipped with 10 LED bulbs offering three adjustable color modes and dimmable brightness to suit your needs for makeup application, hair styling, or ambiance.

- **Changing Color Modes:** Locate the touch sensor or button on the mirror frame. Tap it to cycle through the three color modes: Warm Yellow (3000K), Warm White (4000K), and Cold White (8000K).

- **Adjusting Brightness:** Press and hold the touch sensor or button to smoothly adjust the brightness level. Release when the desired brightness is achieved.

Figure 5.1: The LED mirror offers three distinct lighting temperatures for optimal illumination.

5.2. Convenient Charging Station

The built-in charging station provides easy access to power for your electronic devices.

- **USB Ports:** Two 5V/2A MAX USB ports are available for charging smartphones, tablets, and other USB-powered devices.
- **AC Outlets:** Two 125V/12A 1500W MAX AC outlets are provided for powering hair dryers, curling irons, or other small appliances.
- **Power Cord:** The vanity includes a 5-foot power cord for connection to a wall outlet.

5.3. Storage Features

The vanity desk offers extensive storage solutions to keep your beauty essentials organized.

- **Open Shelves:** Six open shelves provide easy access and display space for frequently used items, perfumes, or decorative pieces.
- **Spacious Drawers:** Three spacious drawers are ideal for storing cosmetics, brushes, and other accessories, keeping them dust-free.
- **Side Cabinets:** Two side cabinets offer additional enclosed storage for larger items or personal belongings.
- **Hidden Stool Storage:** The accompanying bench includes a hidden storage compartment, perfect for discreetly stowing away items.

Maximize Storage Space

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For the mirror, use a glass cleaner and a lint-free cloth.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth to prevent buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Electrical Components:** Ensure the charging station and mirror lights are kept dry. Do not immerse any part of the electrical components in water.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary to maintain stability.
- **Avoid Overloading:** Do not place excessively heavy items on shelves or in drawers to prevent structural damage.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
LED lights not turning on.	Vanity not plugged in; power switch off; loose connection; bulb issue.	Ensure power cord is securely plugged into a working outlet. Check if the mirror's touch sensor/button is activated. Verify all internal connections are secure. If individual bulbs are replaceable, check them.
Charging station (USB/AC outlets) not working.	Vanity not plugged in; power surge; faulty device.	Confirm the vanity is plugged in and receiving power. Test with a different device. If the issue persists, ensure the charging module is correctly installed and connected.
Drawers are stiff or do not slide smoothly.	Improper installation of drawer slides; debris in tracks; overloaded drawer.	Check that drawer slides are installed correctly and aligned. Clean tracks of any dust or debris. Reduce the weight in the drawer.
Vanity feels wobbly after assembly.	Loose fasteners; uneven floor.	Retighten all screws and cam locks. Ensure the vanity is placed on a flat, level surface. Use furniture pads if necessary to stabilize.
Missing or defective parts during assembly.	Packaging error; transit damage.	Contact BORNOON customer service immediately with your purchase details and the specific part number. Free replacement parts service is available.

8. SPECIFICATIONS

Brand	BORNOON
Model Number	BRN009
