## Kohler R34308-G

# Kohler Tellin Multifunction Handshower (R34308-G) User Manual

Brand: Kohler

## INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your Kohler Tellin Multifunction Handshower. Designed for versatility and durability, this handshower offers multiple spray experiences and features a convenient magnetic docking system. Please read this manual thoroughly before installation and use to ensure proper function and longevity of your product.

## PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Hand Shower
- Magnetic Dock
- 72" (1829 mm) Hose
- Sealant Tape

# Included in the Box

Handshower

Handshower Holder

72" Hose

Sealant Tape

## SETUP AND INSTALLATION

The Kohler Tellin Handshower is designed for simple, tool-free DIY installation. Follow these general steps:

1. Remove your existing showerhead.
2. Apply sealant tape (provided) to the threads of the shower arm.
3. Screw the magnetic docking system onto the shower arm.
4. Attach the 72-inch hose to the magnetic dock and the handshower.
5. Ensure all connections are hand-tight and leak-free.

For detailed visual instructions, refer to the installation guide included in your product packaging.

## OPERATING INSTRUCTIONS

---

Your Tellin Multifunction Handshower offers five distinct spray experiences, easily selectable with a thumb button:

- **Full Coverage:** An encompassing spray for everyday rinsing.
- **Powerful Massage:** A focused, invigorating stream to target sore muscles.
- **Intense Rinse:** A forceful spray for thorough rinsing of soap from hair.
- **Gentle Mist:** A soft, superfine water droplet spray for a restorative experience.
- **Pause Feature:** Temporarily pauses water flow to conserve water while lathering, shaving, or shampooing.

To switch between spray modes, simply press the thumb button located on the handshower handle. The magnetic docking system allows for secure placement and easy retrieval of the handshower.

## MAINTENANCE

---

To maintain the appearance and performance of your Kohler Tellin Handshower:

- **Cleaning:** The MasterClean sprayface is designed to resist mineral buildup. Simply wipe the sprayface with your finger or a soft cloth to remove any deposits.
- **Finish Care:** The Brushed Nickel finish features ScratchShield technology for enhanced durability and Spot Repel to resist fingerprints, smudges, and water spots. Clean with a soft, damp cloth and avoid abrasive cleaners, solvents, or polishing agents, as these can damage the finish.
- **Hose Inspection:** Periodically check the 72-inch hose for any signs of wear or damage. Replace if necessary.

## TROUBLESHOOTING

---

If you experience issues with your handshower, consider the following common solutions:

- **Low Water Pressure:** Ensure the main water supply is fully open. Check for any kinks in the hose. The handshower has a 1.75 gpm flow rate, which is standard for water efficiency.
- **Leaking Connections:** Tighten all connections by hand. If leaks persist, reapply sealant tape to the threads

and reassemble.

- **Mineral Buildup:** If spray nozzles are clogged, gently rub the MasterClean sprayface with your finger or a soft brush to dislodge mineral deposits.

If problems persist, contact Kohler customer support for assistance.

## SPECIFICATIONS

| Feature            | Detail   |
|--------------------|--|
| Brand              | Kohler   |
| Model Number       | R34308-G                                       |
