THAW 5K mAh (THA-HND-0009)

THAW Rechargeable Hand Warmer 5K mAh

Model: THA-HND-0009

INTRODUCTION

Thank you for choosing the THAW Rechargeable Hand Warmer. This device is designed to provide warmth, portable power, and illumination in a compact form factor. It features double-sided heating, three heat modes, an integrated power bank, and an LED light. Please read this manual thoroughly before use to ensure proper operation and to maximize the product's lifespan.

SAFETY INFORMATION

- Do not expose the device to extreme temperatures (above 60°C / 140°F or below -10°C / 14°F) or direct sunlight for extended periods.
- Avoid dropping or subjecting the device to strong impacts.
- Do not disassemble, modify, or attempt to repair the device. Contact customer support if service is required.
- Keep out of reach of children.
- Do not use if the device appears damaged or swollen.
- Charge the device using the provided USB cable and a compatible power adapter (not included).
- Ensure the charging port covers are securely closed when not in use to maintain IPX4 rating.

PRODUCT FEATURES

- **Double-Sided Heating:** Provides warmth on both surfaces for comprehensive hand comfort.

- **3 Heating Modes:** Adjustable temperature settings for varied warmth requirements.
- **Temperature Memory Recall:** The device remembers your last used heat setting.
- **Integrated LED Light:** A built-in light for illumination in low-light conditions.
- **5000mAh Power Bank:** Recharge your mobile devices on the go.
- **Bi-directional USB-C Port:** Use a single port for both charging the hand warmer and charging external devices.
- **Port Covers:** Protects ports and contributes to the IPX4 rating for water resistance.
- **Battery Charging Indicator:** LED lights display the current battery level.

WHAT'S INCLUDED

- 1x THAW Rechargeable Hand Warmer (5K mAh)
- 1x USB Charging Cable
- 1x Lanyard

SETUP

Initial Charging

Before first use, fully charge your THAW Rechargeable Hand Warmer. This ensures optimal battery performance and longevity.

1. Locate the USB-C charging port on the device.
2. Connect the provided USB charging cable to the hand warmer's USB-C port.
3. Connect the other end of the USB cable to a compatible USB power source (e.g., wall adapter, computer USB port).
4. The battery indicator lights will illuminate to show charging progress. All lights will be solid when fully charged.
5. Charging typically takes approximately 3 hours.

INTEGRATED LED LIGHT

Light your task without getting cold.

OPERATING INSTRUCTIONS

Using the Hand Warmer Function

- Power On:** Press the power button once briefly to activate the hand warming function. The device will turn on to the last used heat setting (Temperature Memory Recall).
- Change Heat Mode:** While the hand warmer is on, press and hold the power button to cycle through the three heat modes: Low, Medium, and High. Release the button when your desired mode is selected.
- Power Off:** Press the power button once briefly to turn off the hand warming function.

The device features double-sided heating, ensuring warmth across your entire hand.

A close-up photograph of a person's hands holding a THAW Hand Warmer. The device is rectangular with a dark grey or black front panel and an orange side panel. The person's hands are positioned to show the device warming both palms. The person is wearing a blue ribbed sweater and a silver ring on their left hand. The background is a blurred outdoor setting with warm, golden light.

TEMPERATURE RECALL

Turn on to your last used heat setting.

Using as a Power Bank

The THAW Hand Warmer can also charge your USB-compatible devices.

1. Ensure the hand warmer has sufficient charge.
2. Connect your device's charging cable to the hand warmer's USB-C port.
3. The hand warmer will automatically begin charging your device.
4. Disconnect your device when charging is complete.

BI-DIRECTIONAL USB-C

Recharge and charge with one convenient port.

Using the Integrated LED Light

The device includes a built-in LED light for convenience.

- 1. Turn On/Off:** Press the dedicated light button once briefly to turn the LED light on or off.

Note: The LED light can be operated independently of the hand warming function.

3 HEAT MODES

Performance		
Mode	Temperature	Run Time (Approximate)
HIGH	60 °C / 140 °F	3.5h
MEDIUM	50 °C / 122 °F	5h
LOW	45 °C / 113 °F	7h

Maintenance

Cleaning

- Wipe the device with a soft, damp cloth.
- Do not use abrasive cleaners or solvents.
- Ensure all port covers are closed before cleaning.

Storage

- Store the hand warmer in a cool, dry place when not in use.
- For long-term storage, charge the device to approximately 50% every 3-6 months to preserve battery health.

Troubleshooting

- Device not turning on:** Ensure the device is charged. Connect it to a power source and check the battery indicator lights.

- **Hand warmer not heating:** Check if the device is powered on and if a heat mode is selected. Ensure the battery has sufficient charge.
- **Device not charging:** Verify that the USB cable is securely connected to both the hand warmer and the power source. Try a different USB cable or power adapter.
- **External device not charging from power bank:** Ensure the hand warmer has sufficient charge. Try a different charging cable for your external device.
- **LED light not working:** Press the light button to ensure it is activated. If still not working, ensure the device has charge.

SPECIFICATIONS

Feature	Detail
Model Name	THAW Rechargeable Hand Warmer
Model Number	THA-HND-0009
Battery Capacity	5000 mAh
Battery Type	Lithium-Ion
Charging Time	Approx. 3 Hours
Lower Temperature Rating	113°F (45°C)
Upper Temperature Rating	140°F (60°C)
Material	Aluminum
Color	Black/Orange
Item Dimensions (LxWxH)	8.6 x 5.5 x 1.75 inches
Weight	0.22 Kilograms (Package Weight)
UPC	044435919414

WARRANTY INFORMATION

This THAW Rechargeable Hand Warmer comes with a **1 Year Warranty** from the date of purchase. This warranty covers manufacturing defects under normal use. It does not cover damage caused by misuse, accidents, unauthorized modifications, or improper maintenance. Please retain your proof of purchase for warranty claims.
