MZYMI S07 MZYMI

MZYMI S07 White Wireless Earbuds Instruction Manual

Model: S07 MZYMI

1. INTRODUCTION

Thank you for choosing MZYMI S07 White Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience with advanced features such as Active Noise Cancellation (ANC), Environmental Noise Cancellation (ENC) for clear calls, and Bluetooth 5.4 connectivity. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- MZYMI S07 White Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)
- Additional Eartips (various sizes)

Image: The MZYMI S07 White Wireless Earbuds shown inside their open charging case. The earbuds are white and have a sleek, ergonomic design. The charging case is also white with a smooth, rounded finish.

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. The charging case provides extended battery life for your earbuds.

1. Connect the provided USB charging cable to the charging port on the case.
2. Connect the other end of the cable to a USB power source (e.g., computer, wall adapter).
3. The indicator light on the charging case will show charging status. Once fully charged, the light will change or turn off.
4. Place the earbuds into the charging case. They will automatically begin charging.

Note: The charging time is approximately 2 hours for a full charge.

3.2 Pairing with a Device

The earbuds use Bluetooth 5.4 for a fast and stable connection.

1. Ensure the earbuds are in the charging case and the case lid is open.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices. Select "MZYMI S07" from the list.
4. Once connected, you will hear an audio prompt, and the earbuds' indicator lights will confirm successful pairing.

The earbuds will automatically connect to the last paired device when removed from the case and Bluetooth is enabled on the device.

MZYMI
ANC noise reduction
Noise reduction preferred

- Intelligent APP control
- HIFI sound quality
- 60h long-lasting battery life
- ANC active noise reduction
- 42dB noise reduction
- Wireless version V5.4

4. OPERATING INSTRUCTIONS

4.1 Wearing the Earbuds

For optimal sound quality and comfort, choose the correct size eartips and ensure a snug fit.

1. Select the eartips that best fit your ear canal.
2. Gently insert each earbud into the corresponding ear (R for right, L for left).
3. Twist slightly to secure them in place.

4.2 Touch Controls

The MZYMI S07 earbuds feature intuitive touch controls on each earbud.

Action	Function
Single Tap (Either Earbud)	Play/Pause Music, Answer/End Call
Double Tap (Left Earbud)	Previous Track
Double Tap (Right Earbud)	Next Track
Triple Tap (Left Earbud)	Volume Down
Triple Tap (Right Earbud)	Volume Up
Press and Hold (Either Earbud)	Cycle ANC/Transparency/Normal Mode

4.3 Active Noise Cancellation (ANC) and Environmental Noise Cancellation (ENC)

The earbuds feature ANC to reduce environmental noise and ENC for clear call quality.

- **ANC:** Reduces ambient noise, ideal for noisy environments like trains or buses.
- **ENC:** Enhances call clarity by reducing background noise during phone conversations.

- Cycle through ANC, Transparency, and Normal modes using the "Press and Hold" touch control.

MZYMI **ANC+ENC**
New noise cancelling headphones

- 42dB noise reduction
- ENC call noise reduction
- HiFi sound quality
- Total battery life of 60H
- Wireless version V5.4
- APP adjusts EQ sound effects

4.4 Using the MZYMI App

Enhance your experience by customizing settings via the dedicated MZYMI app.

- Download the MZYMI app by scanning the QR code provided in the physical user manual or searching in your device's app store.
- The app allows customization of "Be Aware" (Transparency) settings, touch controls, and sound preferences (EQ).
- It also includes a safe hearing option with volume limits to protect your ears.

5. MAINTENANCE

5.1 Cleaning the Earbuds

Regular cleaning helps maintain sound quality and hygiene.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove eartips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Do not use abrasive cleaners or solvents.

5.2 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged.

- Store in a cool, dry place away from extreme temperatures.
- Avoid direct sunlight and moisture.

5.3 Water Resistance

The earbuds are IPX8 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. However, the charging case is not waterproof.

- Do not submerge the charging case in water.
- Ensure earbuds are dry before placing them back into the charging case.

6. TROUBLESHOOTING

6.1 Earbuds Not Pairing/Connecting

- Ensure Bluetooth is enabled on your device.
- Make sure the earbuds are charged.
- Place earbuds back in the case, close the lid, wait a few seconds, then open the lid to re-enter pairing mode.
- Forget "MZYMI S07" from your device's Bluetooth list and try pairing again.
- Try pairing with a different device to rule out device-specific issues.

6.2 No Sound or Low Volume

- Check the volume level on both your device and the earbuds.
- Ensure earbuds are properly seated in your ears.
- Clean any debris from the earbud mesh.
- Reconnect the earbuds to your device.

6.3 Charging Issues

- Ensure the charging cable is securely connected to both the case and the power source.
- Try a different USB cable or power adapter.
- Clean the charging contacts on both the earbuds and the case.

8. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the contact details provided on the product packaging or the official MZYMI website. Keep your purchase receipt for warranty claims. If you encounter any issues not covered in this manual, please contact MZYMI customer service for assistance.

9. SAFETY INFORMATION

- Do not disassemble or modify the earbuds.
- Avoid exposing the earbuds to extreme temperatures or direct sunlight for prolonged periods.
- Keep out of reach of children and pets.
- Use only the provided charging cable or a certified equivalent.
- Avoid listening at high volumes for extended periods to prevent hearing damage.
