XWNV AC Adapter Charger Instruction Manual

Compatible with Roanow MarsVac S1 Cordless Stick Vacuum Cleaner CS13A265050FUF

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your XWNV AC Adapter Charger. This adapter is designed to provide power to compatible devices, specifically the Roanow MarsVac S1 Cordless Stick Vacuum Cleaner model CS13A265050FUF. Please read these instructions thoroughly before use and retain them for future reference.

A general view of the XWNV AC Adapter Charger, showcasing its compact design and black color.

2. SAFETY INFORMATION

To ensure safe operation and prevent damage, please observe the following precautions:

- **Voltage Compatibility:** Always confirm the output voltage and plug size of the adapter match your device's requirements before connecting.
- **Ventilation:** When using the adapter for extended periods, ensure it is placed in a well-ventilated area to prevent overheating. Do not cover the adapter.

- **Environmental Conditions:** Avoid exposing the adapter to excessive humidity or placing it on surfaces that may retain heat, such as skin products.
- **Protection Features:** The adapter is equipped with Over Voltage Protection, Over Current Protection, Over Heat Protection, and Short Circuit Protection to safeguard your devices.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 x XWNV AC/DC Adapter
- 1 x Car Charger (if included in your specific package)

4. SETUP INSTRUCTIONS

Follow these steps to set up your AC adapter:

1. **Verify Compatibility:** Before connecting, ensure that your device, such as the Roanow MarsVac S1, requires a round tip connector and operates within the adapter's voltage and current specifications.
2. **Connect to Power Outlet:** Plug the AC adapter into a standard wall power outlet (100-240V AC).
3. **Connect to Device:** Carefully insert the round tip connector of the adapter into the charging port of your Roanow MarsVac S1 vacuum cleaner. Ensure a secure connection.

Consistent Power supply

This image illustrates the round tip connector of the XWNV AC Adapter Charger, emphasizing the importance of checking your device's charging port for compatibility. It shows a comparison between a compatible round tip and an incompatible U53-0 type connector.

5. OPERATING INSTRUCTIONS

Once connected, the adapter will begin supplying power to your device. No further action is typically required for operation.

- **Charging Indication:** Refer to your device's manual for information on how it indicates charging status.

- **Disconnection:** When charging is complete or if you need to disconnect, gently remove the adapter's connector from your device, then unplug the adapter from the wall outlet.

The adapter connected to a wall outlet and a device, demonstrating its function in providing a stable and consistent power supply for charging.

6. MAINTENANCE

Proper care will extend the life of your adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to

wipe the exterior. Do not use liquid cleaners or solvents.

- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and excessive heat when not in use.
- **Cable Care:** Avoid bending or crimping the power cord excessively, as this can damage the internal wires.

7. TROUBLESHOOTING

If you encounter issues with your adapter, try the following:

- **Adapter Not Supplying Power:**
 - Ensure the adapter is securely plugged into a working wall outlet.
 - Check if the wall outlet is functional by plugging in another device.
 - Verify that the adapter's connector is fully inserted into your device's charging port.
- **Device Not Charging:**
 - Confirm that the adapter's specifications (voltage, current, connector type) match your device's requirements.
 - Inspect the charging port of your device for any obstructions or damage.
 - If possible, test the adapter with another compatible device or test your device with another known-good adapter.

8. SPECIFICATIONS

Feature	Specification
Input Voltage	100 - 240 VAC, 50/60Hz (Worldwide Use)
Output Current	12 Amps
Wattage	60 watts
Cable Length	4 ft
Connector Type	Round Tip
Color	Black
Special Features	Over Voltage Protection, Over Current Protection, Short Circuit Protection
Manufacturer	Shenzhen Qiannuo Tech Co., Ltd

Multiple Protection

Multiple international certifications, safe charging without damage to the device.

9. COMPATIBILITY

This XWNV AC Adapter Charger is specifically designed to be compatible with the **Roanow MarsVac S1 Cordless Stick Vacuum Cleaner model CS13A265050FUF**. It is also compatible with other devices that require a round tip connector and match the adapter's electrical specifications (Input: 100-240V AC, Output: 12 Amps, 60 Watts).

Always verify the connector type and electrical requirements of your device before use to ensure proper

function and prevent damage.

10. SUPPORT

If you have any further questions, concerns, or require assistance with your XWNV AC Adapter Charger, please do not hesitate to contact our customer support. We are available to help you.
