Feandrea Cat Tree with Litter Box PCT116K03 - User Manual

Model: **PCT116K03** | Brand: **Feandrea**

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Feandrea Cat Tree with Litter Box, model PCT116K03. This multi-functional cat furniture is designed to offer your feline companions a comfortable and engaging environment, combining a scratching post, various platforms, and a discreet litter box enclosure. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

SAFETY INSTRUCTIONS

- Ensure all parts are securely fastened during assembly. Loose components can pose a hazard to your pets.
- Utilize the included anti-tipping device to secure the cat tree to a wall. This prevents accidental falls and ensures stability for both your pets and household members.
- Adjust the leveling feet at the base to ensure the cat tree remains stable on uneven floors.
- Regularly inspect the cat tree for any loose or damaged components, such as worn scratching posts or wobbly platforms. Replace or repair as necessary to maintain safety.
- Keep small children away from the assembly area. Ensure children do not climb on the cat tree without adult supervision.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed in the separate assembly guide (typically included in the product packaging) are present and undamaged. If any parts are missing or damaged, please contact Feandrea customer support immediately for assistance.

ASSEMBLY INSTRUCTIONS

Assembly of the Feandrea Cat Tree PCT116K03 is designed to be straightforward. Follow the step-by-step instructions provided in the dedicated assembly manual included with your product. For optimal results:

- Identify all parts and hardware. It is recommended to lay them out in an organized manner before starting.
- Follow the numbered steps carefully, paying attention to diagrams.
- Ensure all screws and connectors are tightened securely, but avoid overtightening to prevent damage.
- While possible for one person, assembly may be easier and quicker with two people, especially for handling larger components.

Important: Do not discard the assembly manual. Keep it for future reference, especially for maintenance or disassembly.

OPERATING AND FEATURES

The Feandrea Cat Tree PCT116K03 offers a variety of features designed to cater to your cat's natural behaviors and provide a comfortable living space:

- **Multi-Level Design:** The tiered structure encourages climbing, jumping, and exploration, providing

ample exercise and mental stimulation.

- **Observation Platform:** The elevated top platform offers a prime spot for your cat to survey its surroundings, ideal for window viewing or simply relaxing above the action.
- **Scratching Posts:** Multiple sisal-covered posts satisfy your cat's natural urge to scratch, helping to protect your household furniture from damage.
- **Cozy Cat Houses:** Enclosed cubbies provide private, secure spaces for resting, napping, and feeling safe.
- **Litter Box Enclosure:** A spacious compartment at the base discreetly hides a litter box, reducing odors and maintaining a tidy living space. This versatile compartment can also be used as an additional cat bed or for storing cat accessories.
- **Play Balls:** Includes two plush play balls (with two replacements) attached to elastic strings, encouraging playful activity and hunting instincts.

MAINTENANCE AND CARE

Proper care and regular maintenance will extend the life and appearance of your Feandrea Cat Tree:

- **Surface Cleaning:** Wipe the wooden surfaces with a damp cloth to remove dust and dirt. Avoid harsh chemicals that could damage the finish or be harmful to pets.
- **Cushion Care:** The plush cushions are removable and machine washable for thorough cleaning. For daily maintenance, use a lint roller or a cat comb to remove loose fur.
- **Scratching Posts:** Regularly check the sisal scratching posts for wear and tear. While durable, they may need replacement over time depending on your cat's scratching habits.
- **Litter Box Enclosure:** Clean the interior of the litter box enclosure regularly to maintain hygiene and prevent odors.
- **Storage:** Store the cat tree indoors to protect it from environmental elements and prolong its lifespan.

TROUBLESHOOTING

- **Instability:** If the cat tree feels wobbly after assembly, ensure all screws are tightened. Verify that the adjustable feet are properly leveled on the floor. Always utilize the anti-tipping device to secure the tree to a wall for maximum stability.
- **Parts Missing/Damaged:** If you discover any parts missing or damaged upon unboxing, please refer to the contact information in your assembly guide or visit the official Feandrea website for customer support.
- **Cats Not Using It:** Introduce your cat to the tree gradually. Place treats, catnip, or familiar toys on different levels to encourage exploration. Some cats may need time to adjust to new furniture.
