

Kircuit RFC-676, RFC-667

Kircuit AC/DC Adapter Charger Instruction Manual

For Romanda Argenté RFC-676 and RFC-667 Hair Clippers

Brand: Kircuit | Model Compatibility: RFC-676, RFC-667

INTRODUCTION

This instruction manual provides essential information for the safe and effective use of your Kircuit AC/DC Adapter Charger. This adapter is specifically designed to provide power and charge the rechargeable battery of Romanda Argenté RFC-676 and RFC-667 hair clippers. Please read this manual thoroughly before use and retain it for future reference.

SETUP

Follow these steps to properly set up your AC/DC adapter charger:

1. **Inspect the Adapter:** Before first use, visually inspect the adapter and its cable for any signs of damage. Do not use if any damage is observed.
2. **Connect to Device:** Locate the charging port on your Romanda Argenté RFC-676 or RFC-667 hair clippers. Insert the barrel connector of the Kircuit adapter firmly into the charging port. Ensure a secure connection.
3. **Connect to Power Outlet:** Plug the AC prongs of the adapter into a standard electrical wall outlet (100-240V AC, 50/60Hz). Ensure the outlet is easily accessible.

OPERATING INSTRUCTIONS

Once properly set up, the adapter is ready for operation:

- **Powering the Device:** The adapter provides a stable 5V DC output, allowing you to operate your hair clippers directly from an electrical outlet.
- **Charging the Battery:** When connected to the hair clippers and a power outlet, the adapter will charge the internal rechargeable battery of your device. Refer to your hair clipper's manual for specific charging indicators and times.
- **Safety Features:** This adapter includes Over Voltage Protection (OVP), Over Current Protection (OCP), and Short Circuit Protection (SCP) to safeguard your device during operation and charging.

MAINTENANCE

Proper maintenance ensures the longevity and safe operation of your adapter:

- **Cleaning:** Disconnect the adapter from the power outlet and your device before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or immerse the adapter in water.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent damage.
- **Handling:** Do not pull the cable to disconnect the adapter from the outlet or device. Always grasp the plug or connector directly.

TROUBLESHOOTING

If you encounter issues with your adapter, try the following steps:

- **No Power/Charging:**

- Ensure the adapter is securely plugged into both the wall outlet and your hair clippers.
- Test the wall outlet with another device to confirm it is functional.
- Check the adapter cable for any visible damage or kinks.

- **Device Not Recognizing Charger:**

- Verify that the hair clippers are indeed Romanda Argenté RFC-676 or RFC-667 models, as this adapter is specifically designed for these devices.
- Ensure the charging port on your hair clippers is clean and free of debris.

If problems persist after performing these checks, contact customer support.

SPECIFICATIONS

Image: Close-up view of two Kircuit AC/DC Adapter Chargers, highlighting the label with detailed input and output specifications.

Feature	Specification
Brand	Kircuit
Input Voltage	100-240V AC, 50/60Hz
Output Voltage	5V DC
