## MAINTENANCE AND CARE

To maintain the appearance and longevity of your dresser, follow these simple care instructions:

- **Cleaning:** Wipe with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Immediately blot any spills with a clean, dry cloth.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Stability:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

## TROUBLESHOOTING

---

### **Drawers not sliding smoothly:**

- Check if the metal slide rails are properly aligned and securely fastened.
- Ensure no objects are obstructing the drawer's path.
- Lubricate the rails with a silicone-based lubricant if needed.

### **Dresser feels unstable:**

- Verify that all assembly screws are tightened.
- Ensure the dresser is placed on a level surface.
- Confirm the anti-tipping device is correctly installed and secured to the wall.

### **Missing parts:**

- Review the parts list in the assembly instructions.
- Contact customer support for assistance with missing components.
