Morden Fort 45" W Buffet Cabinet with Storage

User Manual

1. INTRODUCTION

Thank you for choosing the Morden Fort 45" W Buffet Cabinet. This versatile and elegantly designed cabinet is crafted to enhance your home with both style and practical storage. Ideal for dining rooms, kitchens, living rooms, or entryways, it offers ample space with drawers and adjustable shelves. This manual provides essential information for safe assembly, proper usage, and effective maintenance to ensure the longevity and optimal performance of your new furniture piece.

2. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these safety guidelines may result in injury or damage to the product.

- Always assemble this cabinet with the help of another person due to its large size and weight (86 lbs).
- Secure the cabinet to the wall using the provided anti-toppling device to prevent tipping, especially if it will be used to store heavy items or in households with children or pets.
- Do not overload shelves or drawers. The maximum weight limit for the cabinet is 360 pounds.
- Keep small parts and packaging materials away from children during assembly.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Use on a flat, level surface to prevent wobbling and instability.

Classic Elegance in Design

With meticulously designed and crafted by hand, the sophisticated item showcasing fine artistry at every stage.

3. PACKAGE CONTENTS AND PRE-ASSEMBLY

Before beginning assembly, ensure all parts are present and undamaged. Unpack all components and lay them out on a soft, clean surface to prevent scratches. All parts are pre-numbered for easy identification.

3.1 Components Included:

- Cabinet panels (top, bottom, sides, back)
- Glass doors with hinges
- Drawers and drawer slides
- Adjustable shelves
- Legs
- Hardware pack (screws, dowels, anti-toppling kit, handles, magnetic catches)
- Assembly Manual (provided in packaging)

Note: A screwdriver is not included and will be required for assembly.

4. ASSEMBLY INSTRUCTIONS

Follow these general steps for assembly. Refer to the detailed step-by-step installation manual included in your package for specific diagrams and part numbers.

1. **Prepare the Base:** Attach the cabinet legs to the bottom panel.
2. **Assemble the Frame:** Connect the side panels to the bottom panel, then attach the back panel.
3. **Install Shelves:** Insert the adjustable shelf pins into the desired holes and place the shelves.
4. **Assemble Drawers:** Construct the three drawers and install the drawer slides onto both the drawers and the cabinet frame. Carefully insert the assembled drawers into their respective slots.
5. **Attach Doors:** Mount the glass doors to the cabinet frame using the provided hinges. Ensure they open and close smoothly.
6. **Install Handles:** Attach the antique style iron handles to the drawers and doors.
7. **Secure Anti-Toppling Device:** Attach the anti-toppling device to the back of the cabinet and secure it to a wall stud. This is a critical safety step.

6. MAINTENANCE AND CARE

Proper care will help maintain the beauty and durability of your Morden Fort Buffet Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean spills immediately with a dry cloth to prevent staining or water damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat and Moisture:** Do not place hot items directly on the surface. Use coasters or protective pads. Avoid excessive moisture or humidity.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Cabinet wobbles or is unstable.	Uneven floor; loose fasteners.	Ensure cabinet is on a level surface. Check and tighten all assembly screws. Adjust leg levelers if applicable.
Drawers do not slide smoothly or feel loose.	Improper installation of drawer slides; damaged slides; overloaded drawer.	Verify drawer slides are correctly aligned and installed according to the manual. Do not overload drawers. If slides are damaged, contact customer service for replacement. Handle drawers gently.
Doors are misaligned or do not close properly.	Loose hinges; cabinet not level.	Adjust hinges as per the assembly manual. Ensure the cabinet is level.
Surface scratches or minor damage.	Accidental impact; abrasive cleaning.	For minor scratches, touch-up pens or furniture markers matching the antique white finish may be used. Avoid abrasive materials for cleaning.
