MAINTENANCE

To maintain the quality and appearance of your bed frame:

- Wipe the frame and upholstered surfaces with a dry cloth.
- Avoid using harsh chemicals or abrasive cleaners.
- Regularly check all screws and bolts to ensure they remain tight.
- Keep the LED lights and charging station free from dust and moisture.

TROUBLESHOOTING

If you encounter any issues with your bed frame, consider the following:

- **Loose Connections:** If the frame feels wobbly, re-tighten all assembly screws and bolts.
- **LED Lights Not Working:** Check that the power adapter is securely plugged into both the headboard and a working wall outlet. Ensure all connections are firm.
- **Charging Station Not Functioning:** Verify that the charging station is properly connected to its power

source and that the wall outlet is active. Test with different devices and cables.

- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer tracks or under the bed. Ensure the wheels are clean and properly attached.
