INNOD 1

INNOD Model 1 Wall-Mounted Storage Cabinet

Instruction Manual for Natural Oak Finish

1. Introduction

Thank you for choosing the INNOD Model 1 Wall-Mounted Storage Cabinet. This versatile cabinet is designed to enhance organization and aesthetics in various rooms, including bathrooms, kitchens, and living areas. Constructed from durable PB and MDF, it features adjustable shelves and a stylish fluted door design. This manual provides detailed instructions for safe assembly, installation, and proper use of your new cabinet.

2. Safety Information

Please read and understand all instructions before beginning assembly and installation. Failure to follow these instructions may result in injury or damage to the product.

- Keep all small parts and packaging materials away from children.
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- Ensure all fasteners are securely tightened before use.
- Do not overload the cabinet shelves. Refer to the specifications for weight limits.
- For wall mounting, use appropriate hardware for your wall type (e.g., drywall anchors, wood studs). If unsure, consult a qualified professional.
- Periodically check all connections and mounting hardware for tightness.

3. Package Contents

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (Top, Bottom, Sides, Back)
- Cabinet Doors with Fluted Panels
- Adjustable Shelves
- Hardware Pack (Screws, Dowels, Hinges, Handles, Wall Mounting Cleat, Anchors)
- Assembly Instruction Manual

4. Assembly Instructions

Assembly is required for this product. A detailed step-by-step instruction manual with illustrations is included in the package. Please follow these instructions carefully.

1. **Prepare Workspace:** Clear a spacious, clean, and soft area for assembly to prevent damage to components.
2. **Identify Parts:** Lay out all panels and hardware. Refer to the included parts list and diagrams to identify each component.
3. **Assemble Cabinet Frame:** Connect the side panels to the top and bottom panels using the provided dowels and screws. Ensure all connections are secure.
4. **Install Back Panel:** Attach the back panel to the assembled frame.
5. **Attach Hinges and Doors:** Install the hinges onto the cabinet frame and then attach the fluted doors. Adjust hinges as necessary for proper door alignment.
6. **Install Handles:** Secure the handles to the cabinet doors.
7. **Insert Adjustable Shelves:** Place the shelf pins into the desired holes inside the cabinet and rest the adjustable shelves on them.
8. **Wall Mounting Cleat Installation:** The cabinet utilizes a French cleat system for secure wall mounting.
    - Locate a suitable position on the wall, ensuring it is level and can support the cabinet's weight.
    - Attach the wall mounting cleat securely to the wall using appropriate screws and anchors for your wall type (e.g., wood studs, drywall). Use a level to ensure the cleat is perfectly horizontal.
    - Carefully lift the assembled cabinet and hook it onto the installed wall cleat. Ensure it is seated firmly and securely.

Product Dimensions

8"D X 23.5"W X 24.5"H

5. Usage and Placement

The INNOD Model 1 cabinet is designed for versatile storage across various rooms in your home.

- **Bathroom:** Ideal for storing toiletries, medicine, towels, and other bathroom essentials. The adjustable shelves allow customization for items of different heights.
- **Kitchen:** Suitable for organizing spices, small appliances, dishes, or pantry items.
- **Living Room/Hallway:** Can be used to display decorative items, store books, or keep small household items organized.
- **Adjustable Shelves:** The interior shelves can be repositioned to accommodate items of varying sizes. Simply remove the shelf pins, adjust the shelf to the desired height, and reinsert the pins.

6. Maintenance and Care

Proper care will ensure the longevity and appearance of your INNOD cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage, especially in humid environments like bathrooms.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

7. Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Cabinet feels wobbly after installation.	Wall cleat not securely fastened or wall surface uneven.	Ensure the wall cleat is firmly attached to wall studs or appropriate anchors. Verify the cleat is level before hanging the cabinet.
Doors do not align properly.	Hinges are not adjusted correctly.	Adjust the screws on the hinges to align the doors. Refer to the assembly manual for specific hinge adjustment instructions.
Missing parts or damaged components.	Manufacturing defect or shipping damage.	Do not proceed with assembly. Contact INNOD customer support immediately for replacement parts.
