## 2. WHAT'S INCLUDED

---

Your Drift Home Scent Diffuser Starter Kit includes:

- 1 x Drift Home Scent Diffuser Unit (White)
- 1 x Wild Lavender Scent Refill (22 ml / 0.74 oz)

## 3. SETUP INSTRUCTIONS

---

Follow these steps to set up your Drift Home Scent Diffuser:

1. **Unpack Components:** Carefully remove the diffuser unit and scent refill from the packaging.
2. **Prepare Scent Refill:** Twist off the cap from the Wild Lavender scent refill bottle.
3. **Insert Refill:** Open the magnetic cover of the diffuser unit. Insert the uncapped scent refill bottle into the designated slot within the diffuser unit. Ensure the bottle is upright and securely seated.
4. **Close Diffuser:** Close the magnetic cover of the diffuser unit until it clicks into place.
5. **Plug In:** Plug the assembled diffuser unit into a standard electrical outlet. Ensure the unit is oriented upright to prevent leakage.

## 4. OPERATING INSTRUCTIONS

---

The Drift Home Scent Diffuser features three adjustable intensity levels to control the fragrance output:

- **Adjusting Intensity:** Locate the button on the side of the diffuser unit. Press the button to cycle through the three intensity settings (Low, Medium, High). Corresponding indicator lights will illuminate to show the current setting.

- **Low Setting:** Ideal for smaller rooms or a subtle aroma.
- **Medium Setting:** Suitable for average-sized rooms or a moderate fragrance.
- **High Setting:** Provides maximum scent diffusion for larger spaces or when a stronger aroma is desired. This setting will deplete the refill faster.

## 5. MAINTENANCE AND REFILL REPLACEMENT

---

Scent refills are designed to last up to 30 days depending on the intensity setting. When the scent diminishes or the bottle is empty, follow these steps to replace it:

1. **Unplug Diffuser:** Always unplug the diffuser unit from the electrical outlet before handling.
2. **Remove Empty Refill:** Open the magnetic cover and carefully pull out the empty scent refill bottle.

- 3. Insert New Refill:** Twist off the cap from a new Drift scent refill. Insert the new refill into the diffuser unit, ensuring it is upright and secure.
- 4. Close and Plug In:** Close the magnetic cover and plug the diffuser back into the outlet.
