SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and operation to prevent injury or damage.

- **Electrical Safety:** Ensure the fireplace is connected to a properly grounded outlet. Do not overload circuits. Keep power cords away from heated surfaces and foot traffic.
- **Heat Output:** The electric fireplace is a 1500-watt heater. Maintain adequate clearance from combustible materials (curtains, furniture, etc.). Do not block the air vents.
- **Overheat Protection:** The fireplace is equipped with overheat protection. If the unit overheats, it will automatically shut off. Unplug the unit and allow it to cool before restarting.
- **Child Lock:** Utilize the child lock feature on the fireplace control panel or remote to prevent unintended operation by children.
- **Weight Capacity:** The wide and thick mantelpiece can hold up to 120 pounds. The overall stand can support

up to 300 pounds. Do not exceed these weight limits.

- **Stability:** Ensure the TV stand is placed on a flat, stable surface. Consider using anti-tip restraints if available, especially in homes with children or pets.
- **Material:** The stand is constructed from medium-density fiberboard (MDF). Avoid exposing it to excessive moisture or direct sunlight to prevent warping or discoloration.

MAINTENANCE

Proper maintenance will ensure the longevity and optimal performance of your 4 EVER WINNER Fireplace TV Stand.

Cleaning the TV Stand:

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the painted finish or engineered wood.
- For spills, wipe immediately to prevent staining or moisture absorption.

Cleaning the Electric Fireplace:

- **Always unplug the fireplace before cleaning.**
- Wipe the exterior surfaces and glass with a soft, lint-free cloth. A glass cleaner can be used for the tempered glass display, applied to the cloth first, not directly to the unit.
- Do not use abrasive cleaners or polishes on the fireplace.
- Periodically check the air intake and exhaust vents for dust accumulation and gently clean with a vacuum cleaner attachment if necessary.

TROUBLESHOOTING

If you encounter issues with your 4 EVER WINNER Fireplace TV Stand or electric fireplace, refer to the following common solutions:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, unit overheated, power switch off.	Check power cord connection and wall outlet. Allow unit to cool if it shut off due to overheating. Ensure the main power switch on the unit is ON.
No heat output.	Heat function not activated, temperature setting too low, air vents blocked.	Activate the heat function. Increase the temperature setting. Ensure air vents are clear of obstructions.
Remote control not working.	Dead batteries, obstruction, remote out of range.	Replace remote control batteries. Ensure no objects are blocking the signal path to the fireplace. Operate remote within specified range.
Flame effect not visible or flickering.	Brightness setting too low, internal component issue.	Increase flame brightness setting. If issue persists, contact customer support.

If the problem persists after attempting these solutions, please contact 4 EVER WINNER customer support for further assistance.
