LIKIMIO B0DP8SWGHP

LIKIMIO Daybed with Trundle User Manual

Model: B0DP8SWGHP

Brand: LIKIMIO

1. INTRODUCTION

Thank you for choosing the LIKIMIO Daybed with Trundle. This sturdy metal full-size bed frame features an upholstered headboard and a convenient built-in charging station, making it an ideal solution for living rooms, bedrooms, and guest rooms. Designed for durability and versatility, it provides both comfortable sleeping space and practical seating.

2. SAFETY INFORMATION

Please read and understand all safety information before assembling and using this product. Failure to follow these instructions may result in injury or damage.

- Always use the lockable casters when the bed is in use to prevent movement.
- Ensure mattresses are securely in place using the slide stoppers.
- Do not exceed the weight limit of 1000 lbs.
- Follow assembly instructions carefully to ensure stability and prevent collapse.
- Keep small parts away from children during assembly to prevent choking hazards.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. Refer to the detailed parts list provided in the separate assembly guide included with your product.

Typical components include:

- Daybed Frame (main structure)
- Trundle Bed Frame (pull-out unit)
- Upholstered Headboard with Shelf
- Charging Station Unit
- Metal Slats and Support Legs
- Hardware (screws, bolts, washers, Allen wrench)
- Assembly Instructions Manual

5. SETUP AND ASSEMBLY

Assembly is required for the LIKIMIO Daybed with Trundle. While straightforward, it is highly recommended that two people participate in the assembly process to ensure ease and safety. Typical assembly time is approximately 1.5 to 2 hours.

Assembly Steps (General Overview):

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare with the parts list in your assembly guide to ensure nothing is missing.
2. **Assemble Main Daybed Frame:** Connect the side rails, headboard, and footboard using the provided hardware. Do not fully tighten all bolts until the frame is stable.
3. **Install Slats:** Secure the metal slats to the daybed frame. Ensure they are evenly spaced and firmly attached to provide proper mattress support.
4. **Assemble Trundle Frame:** Construct the trundle unit separately, attaching its wheels and support structure.
5. **Integrate Charging Station:** Install the charging station into the designated slot on the headboard shelf.
6. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws.

Important: Refer to the detailed step-by-step instructions and diagrams in your product's specific assembly manual for precise guidance.

6. OPERATING INSTRUCTIONS

Using the Daybed:

- Place a full-size mattress on the main daybed frame. Ensure the mattress slide stoppers are engaged to keep the mattress securely in place.
- The upholstered headboard provides a comfortable backrest for seating during the day.

Image: The LIKIMIO Daybed with Trundle positioned in a room, demonstrating its use as both a bed and a seating area.

Using the Trundle:

- The trundle unit is designed to slide smoothly from underneath the main daybed.
- To extend, gently pull the trundle frame outwards.
- To retract, push the trundle frame back underneath the daybed until it is fully hidden.
- The trundle accommodates a twin-size mattress.
- Engage the lockable casters on the trundle when it is in use to prevent unwanted movement.

Lockable Casters

Image: A close-up view of the lockable casters on the trundle bed, highlighting their design for stability.

Using the Charging Station:

- The built-in charging station is located on the headboard shelf.
- Plug the power cord from the charging station into a standard wall outlet.
- Use the 2 AC outlets and 2 USB ports to charge your electronic devices.

7. MAINTENANCE

To ensure the longevity and appearance of your LIKIMIO Daybed, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the metal frame and upholstered headboard with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Caster Care:** Keep the trundle casters free of debris to ensure smooth operation.
- **Weight Distribution:** Distribute weight evenly on the daybed and trundle to prevent stress on the frame.

8. TROUBLESHOOTING

If you encounter any issues with your LIKIMIO Daybed, refer to the following common problems and solutions:

Problem	Possible Cause / Solution
Trundle mattress does not fit underneath.	The trundle bed requires a mattress with a maximum height of approximately 10 inches (25 cm) to slide freely. If your mattress is thicker, it may not fit. Consider a thinner mattress for the trundle.
Trundle wheels do not lock effectively or slide on hard floors.	Ensure the locking mechanism on each caster is fully engaged. On very smooth hard floors, the casters may still exhibit some minor movement. Consider placing a small rug or non-slip pads under the trundle wheels when in use for added stability.
Main mattress slides towards the wall or creates a gap.	Ensure the mattress slide stoppers at the foot of the bed are properly installed and engaged. If the issue persists, consider using mattress gaskets or a non-slip mattress pad between the mattress and the bed frame.
Bed frame feels wobbly or makes noise.	Check all assembly bolts and screws. Re-tighten any loose connections. Ensure the bed is on a level surface.
Charging station not working.	Ensure the charging station's power cord is securely plugged into a functional wall outlet. Check if the outlet itself is receiving power. If issues persist, contact customer support.

9. WARRANTY AND SUPPORT

LIKIMIO stands behind the quality of its products. For information regarding product warranty, please refer to the warranty card included with your purchase or visit the official LIKIMIO website.

Optional protection plans are available for extended coverage:

- 2-Year Protection Plan
- 3-Year Protection Plan
- Complete Protect (monthly plan covering eligible purchases)

For customer support, technical assistance, or to report missing/damaged parts, please contact LIKIMIO Home directly through their official channels or the retailer where the product was purchased.
