## PARGRILL PA24035

# PARGRILL Outdoor Grill Table Instruction Manual

Model: PA24035

## PRODUCT OVERVIEW

The PARGRILL Outdoor Grill Table (Model PA24035) is a versatile and portable solution designed to enhance your outdoor cooking experience. This multifunctional unit serves as a grill cart, pizza oven table, and a general prep station, compatible with various outdoor cooking appliances including 17-inch or 22-inch Ninja grills, Ooni pizza ovens, tabletop grills, and propane camping stoves.

Constructed from heavy-duty carbon steel with a rust-resistant coating, the table is built for durability and stability, capable of withstanding diverse outdoor conditions. Its convenient folding design allows for compact storage and effortless transport, making it ideal for backyard gatherings, camping trips, and other outdoor events. The table also features ample storage solutions, including a pull-out side table, a spacious middle shelf, and integrated accessories like hooks, a griddle caddy, a paper towel holder, and a bottle opener, ensuring all your grilling essentials are organized and accessible.

## SETUP AND ASSEMBLY

The PARGRILL Outdoor Grill Table is designed for quick and easy assembly. Follow these steps to set up your grill table:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the packing list are present.
2. **Attach Wheels:** Securely attach the large wheels to the designated axle points on the main frame. Ensure they are firmly in place for stability and mobility.
3. **Install Bottom Shelf:** Position the middle shelf onto its supports. Ensure it clicks or locks into place securely. This shelf provides additional storage and structural integrity.
4. **Attach Accessories:** Install the griddle caddy, paper towel holder, and bottle opener to their respective mounting points on the table frame. These accessories are designed for easy attachment.
5. **Extend Side Table:** The pull-out side table can be extended by pulling out the indexing plunger and sliding the table outwards. Push it back in when not needed.

For folding the table for storage or transport, reverse the assembly steps:

1. **Push in Side Table & Remove Bottom Shelf:** Fully retract the pull-out side table. Then, detach the bottom shelf from its supports.
2. **Reattach the Bottom Shelf (for folding):** Reattach the bottom shelf in its designated folding position, often by sliding it into slots that allow the legs to fold.
3. **Fold Legs Without Wheels:** Fold the legs of the table that do not have wheels inwards.
4. **Raise Height of Legs with Wheels:** Adjust the height of the legs with wheels, typically by pulling them upwards, to allow for complete folding.
5. **Fold Legs with Wheels:** Fold the legs with wheels inwards until the table is compact.
6. **Attach Paper Tissue Holder and Dining Cart:** Secure any loose accessories like the paper towel holder and griddle caddy to the folded unit for compact storage.

## OPERATING INSTRUCTIONS

The PARGRILL Outdoor Grill Table is designed for versatile use with various outdoor cooking appliances. Follow these guidelines for optimal operation:

- **Placement:** Always place the grill table on a stable, level surface. Ensure adequate clearance from flammable materials.
- **Grill Compatibility:** The main surface is designed to accommodate 17-inch or 22-inch Ninja grills, Ooni pizza ovens, tabletop grills, and similar propane camping stoves. Ensure your appliance fits securely on the main tabletop.
- **Using the Pull-out Side Table:** Extend the side table for additional preparation space. It is suitable for holding

ingredients, cutting boards, or small serving dishes. Do not overload the side table; refer to specifications for weight limits.

- **Storage Features:** Utilize the integrated hooks for hanging grilling utensils, the griddle caddy for condiments and sauces, and the paper towel holder for easy access to cleaning supplies. The bottom shelf is ideal for heavier items like propane tanks, coolers, or additional food supplies.
- **Mobility:** The large wheels allow for easy movement across various terrains. **Note:** Do not place items on the table while moving to prevent spills or damage.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, steel wool, or harsh chemicals, as these can damage the finish and coating.

## TROUBLESHOOTING

If you encounter any issues with your PARGRILL Outdoor Grill Table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Table feels wobbly or unstable.	Loose fasteners or uneven ground.	Ensure all bolts and screws are tightened. Move the table to a flat, level surface.
Side table is difficult to pull out or push in.	Debris in the slide mechanism or misaligned.	Clean the slide rails of any dirt or debris. Ensure the indexing plunger is fully disengaged/engaged. Check for any bending or damage to the slide mechanism.
Wheels are not rolling smoothly.	Debris caught in wheels or dry axles.	Clear any obstructions from the wheels. Apply a small amount of lubricant (e.g., silicone spray) to the wheel axles.
Rust spots appearing on the frame.	Prolonged exposure to moisture or damaged coating.	Clean the rust spots with a rust remover and touch up with rust-inhibiting paint. Store the table in a dry, covered area when not in use.
