## Aivituvin AIR72

# Aivituvin Chicken Coop Instruction Manual

Model: AIR72 | Brand: Aivituvin

## INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Aivituvin Chicken Coop. Designed for outdoor use, this expandable mobile chicken house offers a secure and comfortable habitat for 2-3 adult chickens, rabbits, ducks, and other small animals. Key features include easy mobility with wheels, an expandable design for increased space, simple cleaning mechanisms, and dedicated nesting areas.

## SETUP AND ASSEMBLY

The Aivituvin Chicken Coop is designed for straightforward assembly. Follow the included instructions carefully. Ensure all components are present and undamaged before beginning. While assembly is generally simple, some steps may require careful alignment.

### Key Assembly Features:

- **Modular Design:** The coop features an expandable design, allowing two units to be combined for a larger space. This requires detaching the side wire fence on one unit to connect them.
- **Mobile Design:** Equipped with two quality wheels and a long handle, the coop can be easily moved across your backyard.
- **Secure Access:** The coop includes multiple access points with lockable metal fence doors to ensure the safety of your animals.

## OPERATING THE COOP

The Aivituvin Chicken Coop provides a functional environment for your poultry. Understanding its features will help you manage your flock effectively.

### Key Operational Features:

- **Nesting Box:** The integrated nesting box is designed for egg laying, keeping eggs clean and facilitating easy collection.
- **Perches:** Round edge perches are included, conforming to the natural standing posture of chickens for roosting.
- **Spacious Run:** The coop includes a spacious running area, providing ample room for chickens to move and forage.
- **Ramps:** An anti-slip ramp connects the elevated sleeping area to the ground run, allowing easy access for your

chickens.

- **Viewing Window:** A viewing window allows for observation of the interior without disturbing the animals.

## Humanized Design for Daily Cleaning

## MAINTENANCE

Regular maintenance is crucial for the longevity and hygiene of your chicken coop. The design incorporates features to simplify this process.

### Cleaning and Care:

- **Pull-out Tray:** A removable leakproof pull-out tray is located beneath the main living area for easy cleaning of droppings and urine.
- **Access Areas:** Four access areas facilitate thorough cleaning and interaction with your animals.
- **Roof:** The coop features a UV-resistant roof panel, providing protection from the elements.
- **Wire Netting:** The enclosure is secured with wire netting to protect animals while allowing ventilation.

## TROUBLESHOOTING

While the Aivituvn Chicken Coop is designed for durability and functionality, some common considerations may arise:

- **Assembly Challenges:** If you encounter difficulties during assembly, double-check the alignment of parts and ensure all screws are properly secured. Some components may require pre-drilling or careful force.
- **Latch Security:** For enhanced predator protection, consider reinforcing existing latches or adding additional secure locking mechanisms.
- **Roosting Bar Stability:** Ensure roosting bars are firmly seated. If they appear unstable, additional securing methods may be necessary to prevent tipping.
- **Floor Protection:** The coop does not have a solid floor. For added security against digging predators and to provide a clean base, consider adding hardware cloth or a suitable flooring material to the bottom of the run.
- **Weather Protection:** While the roof is UV-resistant, prolonged exposure to harsh weather conditions may affect the wood. Consider additional weatherproofing or sheltered placement for extended longevity.

## SPECIFICATIONS

---

Attribute	Detail
Brand	Aivituvin
Model Name	AIR72
Product Dimensions (L x W x H)	80.7" x 22" x 44.1"
Item Weight	66 pounds
Material	Wood
Color	Red
Capacity	2-3 adult chickens
Special Feature	Easy to Clean
Target Audience	Chickens, small-animal-pets

## WARRANTY AND SUPPORT
