MINISO X15 Pro Translation Earbuds User Manual

Model: X15 PRO | Brand: MINISO

INTRODUCTION

The MINISO X15 Pro Translation Earbuds are advanced wireless headphones designed for seamless communication and immersive audio. Featuring AI translation technology, these earbuds support real-time translation across 148 languages, making global interactions effortless. Their open-ear design ensures comfort for extended wear while maintaining awareness of your surroundings. Equipped with Bluetooth 5.4 for stable connectivity and intuitive touch controls, the X15 Pro offers a versatile and high-quality audio experience for various activities.

Key Features:

- **AI Translation:** Real-time online translation in 148 languages, supporting binaural translation, headphone + mobile phone translation, and AI chat functions via a dedicated app.
- **High-Quality Stereo Sound:** Built-in 14.2mm dynamic speakers deliver crystal-clear stereo sound with balanced audio output for an immersive experience.
- **Comfortable Open-Ear Design:** Designed for all-day wear, these earbuds do not insert into the ear canal, eliminating discomfort. Each earbud weighs only 8.5 grams and features a flexible memory metal ear hook for stable wear during activities.
- **Advanced Bluetooth 5.4:** Provides faster, more stable connections with less latency and a connection distance of up to 33 feet.
- **Intuitive Touch Control:** Easily control music playback and calls directly from the earbuds, offering hands-free operation and wide compatibility.

SETUP GUIDE

1. Initial Charging

1. Place both earbuds into the charging case.
2. Connect the USB charging cable to the charging case and a power source.
3. Allow the earbuds and case to fully charge before first use. The indicator lights on the case will show charging

status.

2. Pairing with Your Device

- 1. Ensure the earbuds are in the charging case and the case lid is open.
- 2. On your smartphone or other Bluetooth-enabled device, go to the Bluetooth settings.
- 3. Search for available devices and select "MINISO X15 Pro" from the list.
- 4. Once connected, a confirmation sound will play through the earbuds.

3. App Installation (for Translation Features)

To utilize the full AI translation capabilities, download the dedicated MINISO translation app from your device's app store. Follow the in-app instructions to connect your earbuds and enable translation modes.

OPERATING INSTRUCTIONS

Wearing the Earbuds

The X15 Pro features an open-ear design. Gently place the earbud over your ear, ensuring the speaker rests comfortably near your ear canal without entering it. The flexible ear hook will secure the earbud in place.

MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use abrasive cleaners or solvents.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged.
- **Avoid Water:** The earbuds are not water-resistant. Avoid exposure to water, rain, or excessive moisture.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing/connecting.	Ensure Bluetooth is enabled on your device. Make sure earbuds are charged and in pairing mode (open case lid). Try forgetting the device in your Bluetooth settings and re-pairing.
Translation app QR code not working.	Ensure your phone's camera has permission to scan QR codes. Try manually searching for the "MINISO Translation" app in your app store. Verify your internet connection.
Poor audio quality.	Check earbud placement. Ensure earbuds are clean. Adjust equalizer settings via the charging case. Move closer to your connected device to avoid interference.
Earbuds not charging.	Ensure the charging cable is securely connected to both the case and power source. Check for debris in the charging ports. Try a different charging cable or power adapter.
