

ARTIX CL750

ARTIX CL750 On-Ear Headphones

WIRED WITH MIC AND VOLUME CONTROL USER MANUAL

1. INTRODUCTION

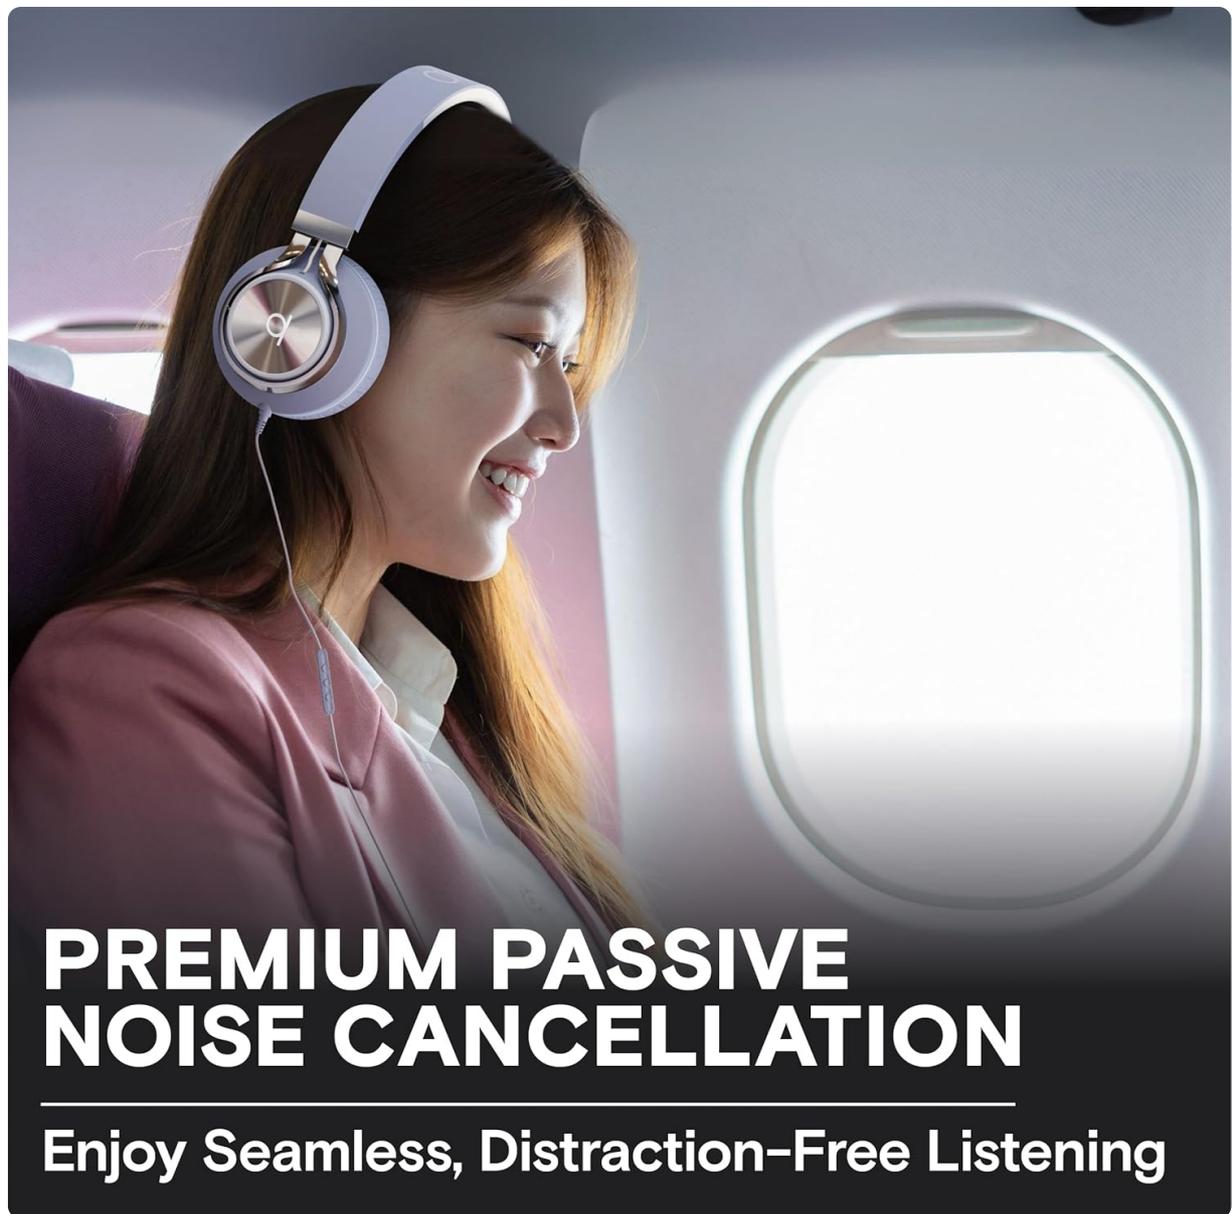

Thank you for choosing the ARTIX CL750 On-Ear Headphones. These wired headphones are designed to deliver immersive, balanced audio with rich bass, featuring 40mm drivers and noise-blocking cushions for an enhanced listening experience. They are versatile for various uses, including school, work, and daily entertainment. The headphones include a built-in microphone and easy-access volume controls for convenient communication and audio management.

QUALITY STEREO SOUND

Crystal-Clear Audio
& Deep, Rich Bass

PREMIUM PASSIVE NOISE CANCELLATION

Enjoy Seamless, Distraction-Free Listening

Figure 2: A person wearing ARTIX CL750 headphones on an airplane, highlighting the premium passive noise cancellation for distraction-free listening.

2. SETUP

The ARTIX CL750 headphones are designed for simple plug-and-play functionality. No batteries or charging are required.

2.1 Connecting to Your Device

1. Locate the 3.5mm audio jack on your device (e.g., laptop, computer, tablet, smartphone).
2. Insert the 3.5mm jack from your ARTIX CL750 headphones firmly into your device's audio port.
3. Ensure the connection is secure to prevent audio interruptions or poor sound quality.

Note: For devices without a 3.5mm audio jack (e.g., newer smartphones), a compatible adapter (USB-C to 3.5mm or Lightning to 3.5mm) may be required. Adapters are sold separately.

FOLDABLE & ADJUSTABLE

Compact for Travel & Storage

Tailor-Fit for Ultimate Comfort

3. OPERATING INSTRUCTIONS

3.1 Volume Control and Microphone

The ARTIX CL750 headphones feature an inline remote control for convenient audio management and communication:

- **Volume Up (+):** Press the '+' button to increase the audio volume.
- **Volume Down (-):** Press the '-' button to decrease the audio volume.
- **Multi-function Button (Center):**
 - Press once to Play/Pause audio.
 - Press once to Answer/End a call.
 - Press twice to skip to the next track.
 - Press three times to go to the previous track.
- **Built-in Microphone:** The integrated HD microphone allows for clear hands-free calls and voice commands.

3.2 Adjusting the Fit

For optimal comfort and sound isolation, adjust the headband to fit your head:

1. Gently slide the earcups up or down along the headband until they rest comfortably over your ears.
2. The headband is adjustable to accommodate various head sizes.

3.3 Portability

The ARTIX CL750 headphones feature a foldable design for easy storage and transport:

- Fold the earcups inward towards the headband to reduce their size.
- This compact design makes them ideal for carrying in a bag or backpack.

KIDS-FRIENDLY

Comfort and Safety
for Young Listeners

Perfect for Gaming
& Learning

No Need to Charge

4. MAINTENANCE

4.1 Cleaning

- Wipe the earcups and headband with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials, as these can damage the finish.
- Do not immerse the headphones in water.

4.2 Storage

- When not in use, store the headphones in a cool, dry place.
- Utilize the foldable design to minimize space and protect the headphones during storage or travel.
- Avoid wrapping the cable too tightly to prevent damage.

5. TROUBLESHOOTING

5.1 No Sound

- Ensure the 3.5mm audio jack is fully inserted into your device.
- Check the volume level on both your device and the inline remote control.
- Test the headphones with another device to rule out a device-specific issue.

5.2 Poor Sound Quality

- Verify the audio jack is clean and free of debris.
- Ensure the cable is not damaged or kinked.
- Adjust the headphones for a snug fit to maximize noise isolation and sound clarity.

5.3 Microphone Not Working

- Check if the microphone is muted on your device or application.
- Ensure the 3.5mm jack is fully inserted, as a partial connection can affect microphone functionality.
- Confirm that your device's audio settings recognize the external microphone.
