2. SAFETY INFORMATION

WARNING: No Warning Applicable. However, always supervise children during operation. Ensure the rider wears appropriate safety gear, including a helmet and protective pads. Do not operate near stairs, steep inclines, or public roads. This product is intended for children aged 3 years and up, with a maximum weight capacity of 66 lbs.

3. WHAT'S IN THE BOX

Before assembly, please ensure all components are present:

- Auxiliary Wheels
- Frame

- Handlebar
- Battery

4. SETUP AND ASSEMBLY

Follow these steps to assemble your Qaba 12V Electric Kids Dirt Bike. Refer to the installation video for visual guidance.

6. MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your dirt bike:

- **Battery Care:** The bike includes one 12V battery. Ensure it is fully charged before each use. Do not overcharge.
- **Cleaning:** Wipe down the bike with a damp cloth after use. Avoid using harsh chemicals or excessive water.
- **Storage:** Store the bike in a dry, cool place away from direct sunlight and moisture.
- **Inspections:** Periodically check all screws, bolts, and connections to ensure they are tight and secure. Inspect tires for wear and tear.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common troubleshooting tips:

- **Bike not turning on:** Check battery connections and ensure the battery is charged.
- **Reduced speed/power:** The battery may be low. Recharge the battery fully.
- **Unusual noises:** Inspect for loose parts or obstructions in the wheels or motor area.

For persistent issues, please contact customer support.
