PawHut Catio Outdoor Cat Enclosure User Manual

Model: D30-237V00LG

Brand: PawHut

1. INTRODUCTION

Thank you for choosing the PawHut Catio Outdoor Cat Enclosure. This manual provides essential information for the setup, operation, maintenance, and troubleshooting of your new catio. Please read this manual thoroughly before assembly and use to ensure safe and proper functionality.

This outdoor cat enclosure is designed to provide a secure and stimulating environment for your feline companions. It features multiple levels, platforms, and ramps, allowing cats to climb, play, and rest comfortably. The integrated cat condo offers a sheltered space, while the durable construction and waterproof roof ensure longevity and protection from the elements.

Important Safety Information

- Always ensure all components are securely fastened before allowing pets inside.
- Regularly inspect the enclosure for any signs of wear, damage, or loose parts.
- This product is intended for outdoor use only.
- Keep children away from the assembly area.
- **WARNING:** This product can expose you to chemicals including wood dust, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

2. SETUP AND ASSEMBLY

Assembly of the PawHut Catio is required. Please ensure you have all necessary parts and tools before beginning. Refer to the separate assembly instructions provided with your product for detailed step-by-step guidance.

Recommended Tools: Screwdriver, Hammer (not included).

Placement Considerations

Select a level, stable outdoor surface for placement. Ensure the area is clear of debris and provides adequate drainage. Positioning the catio in a shaded area can help keep your pets comfortable during warmer weather.

3. OPERATING INSTRUCTIONS

The PawHut Catio is designed for your cats to safely enjoy the outdoors. It features multiple access points and internal structures to enhance their experience.

Features and Usage

- **Multi-Level Design:** Cats can move between different levels using the internal ramps and platforms, providing exercise and varied vantage points.
- **Cat Condo:** The enclosed wooden section offers a private, sheltered space for napping or hiding.
- **Secure Access:** Multiple doors with secure latches allow for easy entry and exit for cleaning, feeding, or interacting with your pets.
- **Ventilation:** The metal mesh construction ensures ample airflow, keeping the interior well-ventilated.

4. MAINTENANCE

Proper maintenance will extend the lifespan of your PawHut Catio and ensure a healthy environment for your pets.

Cleaning and Care

- **Regular Cleaning:** Clean the interior surfaces, including platforms and the cat condo, regularly with pet-safe cleaning solutions.
- **Mesh Cleaning:** Wipe down the metal mesh with a damp cloth to remove dust and debris.
- **Wood Care:** The fir wood is treated for outdoor use. Periodically check the wood for any signs of weathering or damage. Re-apply a pet-safe, outdoor-grade wood sealant if necessary to maintain its water resistance.

- **Asphalt Roof:** The water-resistant asphalt roof requires minimal maintenance. Ensure it remains free of accumulated leaves or debris to allow for proper water runoff.

5. TROUBLESHOOTING

If you encounter any issues with your PawHut Catio, refer to the following common troubleshooting tips.

Problem	Possible Cause	Solution
Enclosure feels unstable or wobbly.	Loose screws or uneven ground.	Ensure all screws are tightened. Relocate the catio to a level surface.
Doors do not close properly.	Misaligned hinges or latches.	Check hinge alignment and adjust if necessary. Ensure latches are installed correctly and are not obstructed.
Water accumulation inside.	Roof debris or improper sealing.	Clear any debris from the roof. Inspect roof and seams for damage and apply sealant if needed.

If the problem persists or is not listed here, please contact customer support for further assistance.
