1. INTRODUCTION

This manual provides essential information for the assembly, safe use, and maintenance of your Max & Lily Upholstered Full Bed Frame with Arch Headboard. This bed frame is designed for durability and comfort, featuring solid wood construction and an upholstered finish. Please read all instructions carefully before proceeding with assembly and use.

2. SETUP & ASSEMBLY

The Max & Lily Upholstered Full Bed Frame is designed for straightforward assembly. It is recommended that **two or more adults** participate in the assembly process to ensure safety and efficiency. All necessary hardware, tools, and detailed assembly instructions are included with your purchase. Please follow the step-by-step guide provided in the packaging for accurate construction.

2.1. Dimensions Overview

Before assembly, familiarize yourself with the bed frame's dimensions to ensure it fits your intended space.

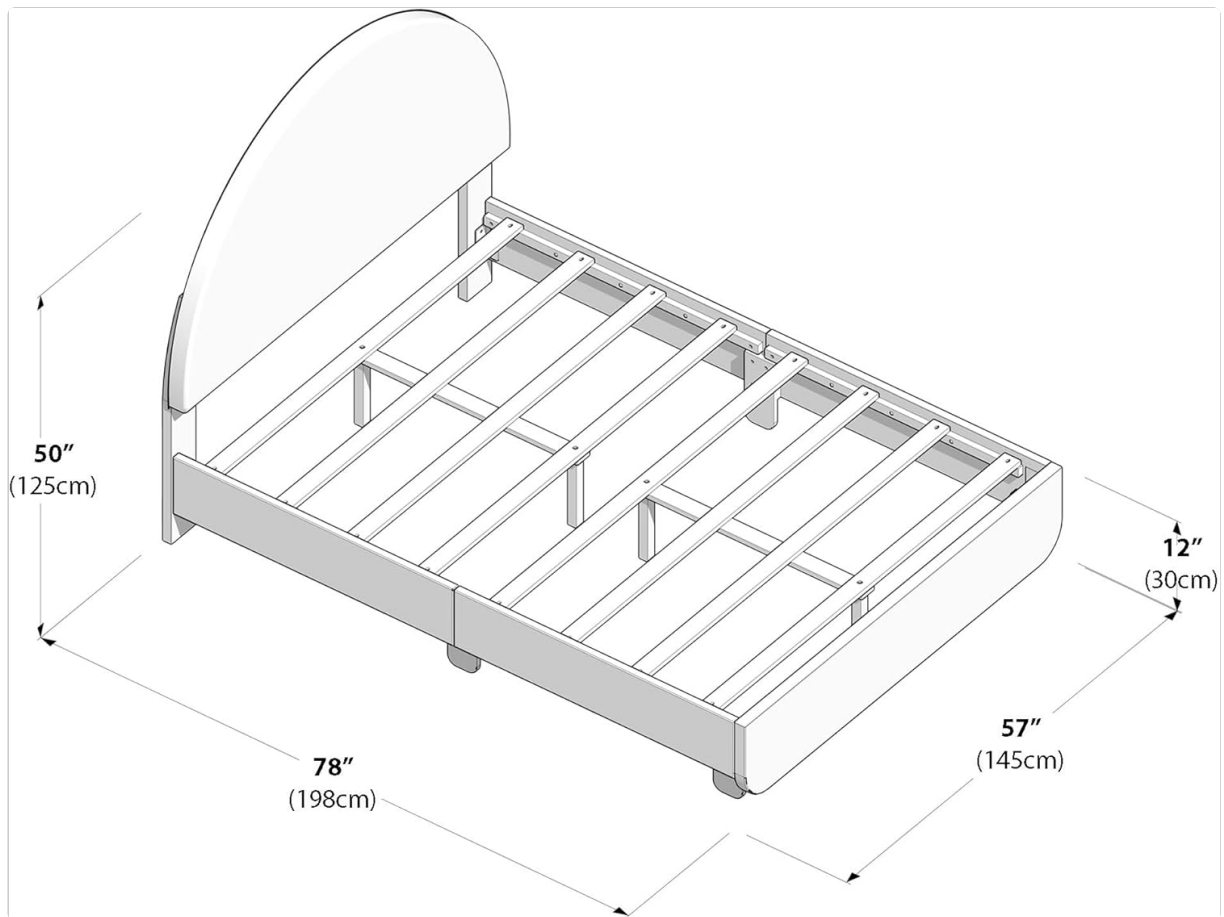

Figure 2.1: Bed Frame Dimensions (78.75" L x 58.5" W x 50.5" H)

2.2. Frame Construction

The bed frame features a robust construction of knot-free, solid pine wood and sturdy engineered wood, ensuring long-term stability. Plywood slats are included to provide a stable foundation for your mattress, eliminating the need for a box spring.

Figure 2.4: Detail of Frame Corner and Slat Support

3. USAGE

This upholstered full bed frame is designed to accommodate a standard full-size mattress that is at least 8 inches thick. The sturdy plywood slats provide ample support, making a box spring unnecessary. The bed frame has a resting weight capacity of **400 pounds** per sleeping surface.

3.1. Design and Comfort

The bed features a chenille upholstered arch headboard, providing a comfortable backrest for reading or relaxing. The cream color offers a versatile aesthetic suitable for various room decors.

4. MAINTENANCE

To maintain the appearance and longevity of your Max & Lily Upholstered Full Bed Frame, follow these simple cleaning guidelines:

- **Spot Cleaning:** For spills or stains on the chenille upholstery, gently spot clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these may damage the fabric.
- **Regular Dusting:** Dust the wooden and upholstered surfaces regularly with a soft, dry cloth to prevent dust buildup.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten any loose hardware as needed to maintain structural integrity.

5. SAFETY INFORMATION

Your Max & Lily bed frame is manufactured with safety as a top priority. It meets or exceeds federal safety standards for children's furniture. The fabric used is made with clean, low-VOC (Volatile Organic Compound) materials to ensure a healthy sleeping environment.

5.1. General Safety Guidelines

- Ensure the bed is assembled correctly and all hardware is securely tightened before use.
- Do not allow children to jump on the bed, as this can cause damage to the frame and potential injury.
- Keep small children away from the bed during assembly to prevent access to small parts.
- Regularly inspect the bed for any signs of wear or damage. Discontinue use if any structural damage is found and contact customer support.

5.2. Product Features for Safety

The bed's design incorporates features for enhanced safety and durability:

- **Solid Wood Construction:** Provides a stable and robust structure.
- **Plywood Slats:** Offer consistent mattress support and prevent sagging.
- **Metal-on-Metal Connections:** Ensure stability and durability over time.
