

HJLPXH 643000

HJLPXH Magic Medieval Castle Architecture Building Block Set (Model 643000) Instruction Manual

1. INTRODUCTION

This instruction manual provides detailed guidance for assembling and understanding the HJLPXH Magic Medieval Castle Architecture Building Block Set, Model 643000. This set is designed to perfectly reproduce classic scenes with exquisite craftsmanship, offering an engaging building experience with its 1555 mini block particles. It is suitable for individuals aged 8 years and up, promoting patience, creativity, and hands-on ability.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years.

Ensure all small parts are kept away from young children to prevent choking. Adult supervision is recommended during assembly, especially for younger builders. All building blocks are made from high-quality, safe materials with smooth, burr-free surfaces for a healthy and safe experience.

3. PACKAGE CONTENTS

Upon opening your HJLPXH Magic Medieval Castle Architecture Building Block Set, please verify that all components are present. The package typically includes:

- 1555 mini building block particles
- Instruction Manual (two booklets)
- Brick separator tool
- Optional lighting kit (requires installation)

If any parts are missing or damaged, please refer to the 'Troubleshooting' section for assistance.

4. ASSEMBLY INSTRUCTIONS

Follow the detailed, step-by-step instructions provided in the two included instruction booklets. Each step clearly illustrates the required pieces and their placement. It is recommended to sort the building blocks by color and shape before beginning assembly to streamline the process.

Figure 4.1: Zone Analysis of the GreenShadow Castle, illustrating the modular design for assembly.

The set includes a brick separator tool to assist with disassembling incorrectly placed blocks. Pay close attention to the diagrams and piece counts for each step to ensure accurate construction.
