Key Features:

- **Integrated LED Lighting:** Multi-color RGB LED light strips with adjustable colors and brightness via button and app control.
- **Built-in Charging Station:** Equipped with 2 AC outlets (125V/12A) and 2 USB ports (5V/2A) for convenient device charging.
- **Ample Storage:** Features 4 spacious drawers and a generously sized top storage area for organizing various items.
- **Durable Construction:** Made from premium MDF with a black finish, designed for long-term use and scratch resistance.
- **Modern Design:** Gold metal handles and a sleek design complement various interior styles.

SETUP AND ASSEMBLY

This dresser is designed for straightforward assembly. It is recommended to follow the instructions carefully and lay out all components by number before beginning. For optimal stability, ensure all connections are secure.

Assembly Instructions:

1. Unpack all components and verify against the parts list provided in your packaging.
2. Follow the step-by-step diagrams and instructions included with your product.
3. Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the material.
4. Install the drawer slides and assemble the drawers according to the guide.
5. Attach the LED light strips and charging station as indicated in the manual.

OPERATING INSTRUCTIONS

LED Lights Operation:

The integrated RGB LED light strips can be controlled via a physical button or a dedicated mobile application. This allows for customization of colors and brightness to suit your preference and create various ambient effects.

- **Button Control:** Locate the control button on the dresser to cycle through preset colors and adjust brightness levels.
- **App Control:** Download the specified mobile application (refer to your product packaging for QR code or app name) to unlock advanced features, including custom color selection, light modes (e.g., music sync, timing), and brightness fine-tuning.

Charging Station Usage:

The dresser includes a built-in power outlet with AC and USB ports for convenient charging of electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for plugging in laptops, lamps, or other small appliances.
- **USB Ports:** Two 5V/2A USB ports are provided for charging mobile phones, tablets, smartwatches, and other USB-powered devices.
- Ensure the dresser is connected to a functional wall outlet for the charging station to operate.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and appearance of your knowworld dresser.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the dresser with a dry, soft cloth to prevent buildup.
- **Drawer Slides:** Periodically check and clean the drawer slides to ensure smooth operation. If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **Fasteners:** Over time, screws and fasteners may loosen. Periodically check and tighten all connections to maintain stability.
- **LED Lights:** The LED lights are designed for long life. If issues arise, check the power connection and app settings.

TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
LED lights not working	Loose connection, power outage, app settings.	Check all cable connections. Ensure the dresser is plugged into a live outlet. Verify settings in the control app.
Charging station not providing power	Dresser not plugged in, circuit breaker tripped, faulty device cable.	Confirm the dresser is fully plugged into a working wall outlet. Check your home's circuit breaker. Try a different charging cable or device to rule out cable issues.

Problem	Possible Cause	Solution
Drawers are stiff or do not slide smoothly	Misaligned slides, debris in tracks, loose screws.	Ensure drawer slides are correctly aligned and free of obstructions. Clean tracks and apply silicone lubricant if necessary. Tighten any loose screws on the drawer or frame.
Dresser feels unstable	Loose assembly, uneven floor.	Re-tighten all assembly screws. Ensure the dresser is on a flat, level surface. Use furniture pads or shims if the floor is uneven.
