## 2. SAFETY INSTRUCTIONS

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload drawers or shelves. Refer to specifications for weight capacity.
- For electrical components (lights, charging station), ensure the power source matches the product's requirements. Do not use damaged cords or plugs.
- Avoid placing hot items directly on the surface to prevent damage.
- Do not stand or sit on the desk surface, except for the designated stool.

### 3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed in your product's assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Plug the charging station's power cord into a standard wall outlet.
- Use the USB and Type-C ports to charge compatible electronic devices.
- The two AC outlets can be used for small appliances or chargers. Ensure the total wattage does not exceed the charging station's maximum capacity.

## 6. MAINTENANCE

Proper care and maintenance will extend the life of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Electrical Components:** Keep the charging station and LED lights dry. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the finish.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your HWB Vanity Desk, refer to the following common problems and solutions:

- **Problem:** LED lights are not turning on.  
**Solution:** Ensure the charging station's power cord is securely plugged into a working wall outlet. Check if the light button has been pressed.
- **Problem:** Charging station ports are not working.  
**Solution:** Verify the charging station is powered on and connected to a live outlet. Test with a different device or cable to rule out device-specific issues.
- **Problem:** Drawers are sticking or difficult to open/close.  
**Solution:** Check if the drawers are properly aligned on their slides. Ensure no items are obstructing the drawer's movement. Lightly lubricate drawer slides if necessary.
- **Problem:** Desk feels unstable or wobbly.  
**Solution:** Re-check all assembly hardware and tighten any loose screws or fasteners. Ensure the desk is placed on a level surface.
