## 1. INTRODUCTION

Thank you for choosing the SUNVIVI 6.5QT 12-in-1 Digital Programmable Multi Slow Cooker Roaster Oven. This versatile appliance is designed to simplify your cooking process with its multiple functions and user-friendly interface. Please read this manual thoroughly before first use to ensure safe and optimal operation.

## 2. IMPORTANT SAFETY INSTRUCTIONS

- Read all instructions before using the appliance.
- Do not touch hot surfaces. Use handles or knobs.
- To protect against electrical shock, do not immerse cord, plugs, or the main unit in water or other liquid.
- Close supervision is necessary when any appliance is used by or near children.
- Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been damaged in any manner.
- The use of accessory attachments not recommended by the appliance manufacturer may cause injuries.
- Do not use outdoors.
- Do not let cord hang over edge of table or counter, or touch hot surfaces.
- Do not place on or near a hot gas or electric burner, or in a heated oven.
- Extreme caution must be used when moving an appliance containing hot oil or other hot liquids.
- Always attach plug to appliance first, then plug cord into the wall outlet. To disconnect, turn any control to "off," then remove plug from wall outlet.
- Do not use appliance for other than intended use.

- **Steam:** Use with the included rack for steaming. Temperature range: 175-205°F, Time: 1 min - 2 hrs.
- **Keep Warm:** Automatically activates after some cooking cycles or can be selected manually. Temperature: 150°F, Time: 1 hr - 10 hrs.
- **Manual:** Allows for custom temperature and time settings. Temperature range: 175-425°F, Time: 5 min - 12 hrs.
- **Delay Start:** Set a delay before cooking begins. Use the '+' and '-' buttons to set the delay time.

## 6. MAINTENANCE AND CLEANING

---

### Cleaning Instructions

1. **Unplug and Cool:** Always unplug the appliance and allow it to cool completely before cleaning.
2. **Removable Parts:** The removable cooking crock, glass lid, and rack are dishwasher safe. Alternatively, wash them with warm, soapy water using a soft sponge.
3. **Nonstick Coating Care:** Do not scrub the nonstick coating with abrasive materials like steel wool balls, as this can damage the coating and lead to rust.
4. **Main Unit:** Wipe the exterior of the main unit with a damp cloth. Do not immerse the main unit in water or any other liquid.
5. **Drying:** Always dry all parts thoroughly after cleaning to prevent water spots or mineral buildup.

## 7. TROUBLESHOOTING

If you encounter issues with your SUNVIVI Multi Cooker, please refer to the following common troubleshooting steps:

- **Appliance Not Turning On:** Ensure the power cord is securely plugged into a functional electrical outlet. Check if the outlet is receiving power.
- **Food Not Cooking Evenly:** Ensure the cooking crock is properly seated in the main unit. Avoid overfilling the crock. Stir food occasionally if the recipe allows.
- **Display Not Responding:** Unplug the appliance for a few minutes, then plug it back in to reset the system.
- **Lid Not Sealing Properly:** Check for any food debris or damage around the rim of the crock or lid that might prevent a tight seal.

For further assistance, please contact customer support.
