### GravaStar P9 PLUS

# GravaStar Sirius Plus True Wireless Earbuds User Manual

Model: P9 PLUS

## 1. INTRODUCTION

---

Welcome to the GravaStar Sirius Plus True Wireless Earbuds. These earbuds combine a unique, futuristic design with advanced audio technology, including Active Noise Cancellation (ANC) and Bluetooth 5.3 connectivity. This manual provides detailed instructions to help you get the most out of your device.

## 2. SETUP

### 2.1. What's in the Box

- GravaStar Sirius Plus Earbuds
- Wireless Charging Case
- USB Charging Cable
- User Manual (this document)

### 2.2. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB cable to the charging port on the case and a power source. The charging time is approximately 1.5 hours for a full charge. The case provides up to 28 hours of total playtime with the earbuds.

### 2.3. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, laptop, tablet), enable Bluetooth.
3. Search for 'GravaStar Sirius Plus' in the list of available devices.
4. Select it to connect. A voice prompt will confirm successful pairing.

The earbuds utilize Bluetooth 5.3 for efficient and stable transmission.

# ENSURING SEAMLESS AUDIO STREAMING

 **Bluetooth™ 5.3**

## 3. OPERATING THE EARBUDS

### 3.1. Active Noise Cancellation (ANC) and Transparent Mode

The GravaStar Sirius Plus features Hybrid Dual-Feed ANC for an undisturbed listening experience. It also includes a Transparent Mode to allow ambient sounds to pass through, keeping you aware of your surroundings.

# ANC ENSURES AN UNDISTURBED EXPERIENCE

### **3.3. Call Features**

ENC Noise Reduction ensures clear calls, providing worry-free communication even in noisy environments.

### **3.4. Ergonomic Design**

The earbuds are designed for all-day comfort and a secure fit, making them suitable for various activities.

# **ERGONOMIC DESIGN** **FOR ALL DAY USE**

### 3.5. Unique Features

- **Aluminium Alloy Design:** Stylish and sturdy construction.
- **Trendy Accessory:** Includes a fun bottle opener feature on the charging case.
- **One-Touch Lid Pop-Up:** A convenient and satisfying stress-relief tool.

## 4. MAINTENANCE

### 4.1. Cleaning

The earbuds are IPX4 water resistant, meaning they are protected against splashing water from any direction. To clean, gently wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.

### 4.2. Storage

When not in use, store the earbuds in their charging case to protect them and ensure they remain charged. Store in a cool, dry place away from extreme temperatures.

### 4.3. Battery Care

To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.

## 5. TROUBLESHOOTING

### 5.1. Common Issues and Solutions

- **No Sound/Connection Issues:**
  - Ensure earbuds are charged.
  - Turn off and on your device's Bluetooth.
  - Forget the device in your Bluetooth settings and re-pair.
  - Ensure earbuds are properly seated in the charging case for connection.
- **Occasional Disconnection:**
  - This can occasionally occur. Try moving closer to your connected device.
  - Ensure no strong interference sources are nearby.
- **Latency in Gaming (PC):**
  - While gaming mode is available, some latency may still be present depending on the PC setup and game.
  - Ensure gaming mode is activated via the app.
- **Uncomfortable Fit:**
  - Experiment with different ear tip sizes to find the best fit for comfort and sound isolation.
- **Sound Quality Issues (e.g., after EQ adjustment):**
  - If sound quality degrades after EQ adjustments, try resetting the EQ to default settings in the GravaStar app.

### 5.2. Resetting the Earbuds

If issues persist, refer to the GravaStar app or official support resources for specific reset procedures.
