CARBINOX Vortex

CARBINOX Vortex Smart Watch User Manual

Model: Vortex

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your CARBINOX Vortex Smart Watch. Please read this manual thoroughly before using your device to ensure proper functionality and longevity.

The CARBINOX Vortex Smart Watch is designed for durability and features a range of functions including activity tracking, heart rate monitoring, notifications, and sleep monitoring. It is compatible with both Android and iOS devices.

PACKAGE CONTENTS

Verify that all items are present in your package:

- CARBINOX Vortex Smart Watch
- 6 Pack 22 mm Bands
- Charging Cable
- User Manual (this document)
- Band adjustment toolkit

The CARBINOX Vortex Smart Watch comes with six interchangeable 22mm bands, offering various styles and materials.

SETUP

1. Initial Charging

Before first use, fully charge your CARBINOX Vortex Smart Watch. Connect the charging cable to the watch and a compatible USB power source. A full charge typically takes approximately 90 minutes. The watch can operate for up to 10 days on a single charge, depending on usage.

BUILT-IN

LONG LASTING

BATTERY WITH JUST 90 MINUTES OF CHARGE!

The watch features a long-lasting battery that charges fully in about 90 minutes.

2. App Installation and Pairing

To unlock the full functionality of your smart watch, download the "GloryFit Pro" application on your smartphone.

1. Scan the QR code provided in the watch packaging or search for "GloryFit Pro" in the Apple App Store (for iOS) or Google Play Store (for Android).
2. Install the application on your smartphone.
3. Open the GloryFit Pro app and follow the on-screen instructions to create an account or log in.
4. Navigate to the "Device" section within the app and select "Add Device".
5. The app will search for nearby devices. Select "Vortex" from the list to pair your watch.
6. Confirm the pairing request on both your watch and smartphone.

**DOWNLOAD THE APP “GLORYFIT PRO”
TO PAIR YOUR VORTEX WITH YOUR
PHONE.**

Download the "GloryFit Pro" app to pair your Vortex Smart Watch with your phone.

OPERATING INSTRUCTIONS

Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and features. Tap to select.
- **Side Buttons:** Use the physical buttons on the side of the watch for quick access to certain functions or to return to the home screen.

Making and Receiving Calls

The CARBINOX Vortex Smart Watch supports Bluetooth calling. Once paired with your smartphone, you can make and receive calls directly from your watch.

- **To make a call:** Access the dialer or contact list on your watch and select the desired contact or dial the number.
- **To receive a call:** When a call comes in, the watch will display the caller ID. Tap the green icon to answer or the red icon to reject.

CARBINOX

BLUETOOTH CALLING
TECHNOLOGY INTEGRATED

**ATTEND UNEXPECTED EMERGENCIES BY
ANSWERING/MAKING CALLS ON YOUR WATCH!**

The watch integrates Bluetooth calling technology, allowing users to answer or make calls directly from the device.

Receiving and Reading Text Messages

Your smart watch can display incoming text messages and social media notifications.

- Ensure notification permissions are enabled for the GloryFit Pro app on your smartphone.
- When a message is received, it will appear on the watch screen. Swipe down from the top of the screen to view your notification history.
- **Note:** The watch allows you to read messages but does not support direct replies from the device.

Sport Modes and Activity Tracking

The watch offers over 100 sport modes to track various physical activities.

- Access the "Workout" or "Sport Modes" menu on your watch.
- Select your desired activity (e.g., running, cycling, swimming).
- The watch will begin tracking relevant metrics such as duration, distance, calories burned, and heart rate.
- End the workout from the watch interface. Data will sync with the GloryFit Pro app for detailed analysis.

Heart Rate and Sleep Monitoring

The watch continuously monitors your heart rate and sleep patterns.

- View real-time heart rate data on the watch or in the GloryFit Pro app.
- Wear the watch during sleep to track sleep stages and quality. Detailed sleep reports are available in the app.

Customizing Watch Faces

Choose from over 100 watch faces to personalize your device.

- On the watch, long-press the home screen to enter the watch face selection menu. Swipe left or right to browse.
- Alternatively, use the GloryFit Pro app to access a wider selection of watch faces and customize them.

The watch offers a selection of over 100 watch faces for personalization.

Other Features

- **Music Control:** Control music playback on your smartphone directly from the watch.
- **Screen Flashlight:** Activate the screen flashlight feature for illumination in dark environments.

- **Countdown Timer:** Utilize the built-in countdown timer for various tasks.

MAINTENANCE

Durability and Water Resistance

The CARBINOX Vortex Smart Watch is U.S. MIL-STD-810H certified, providing resistance against hard impacts, scratches, dents, dust, mud, and extreme temperatures. It also features an IP69K waterproof rating.

The watch is U.S. MIL-STD-810H military certified, offering high durability and IP69K waterproof protection.

While highly durable and waterproof, it is recommended to rinse the watch with fresh water after exposure to saltwater or chemicals to prevent residue buildup. Avoid prolonged submersion in hot water or exposure to high-pressure water jets.

Cleaning

Clean the watch and bands regularly with a soft, damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Ensure the charging contacts are clean and dry before charging.

Band Adjustment

Use the provided toolkit to adjust the length of the metal bands or to change between the included 22mm bands. Ensure the band is securely fastened for accurate sensor readings and comfort.

TROUBLESHOOTING

Watch Not Turning On

- Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- Press and hold the power button for 10-15 seconds to attempt a force restart.

Pairing Issues

- Make sure Bluetooth is enabled on your smartphone.
- Ensure the watch is within range of your smartphone.
- Restart both your watch and smartphone.
- Clear the Bluetooth cache on your phone (if applicable) and try pairing again.
- If previously paired, remove the watch from your phone's Bluetooth device list and re-pair through the GloryFit Pro app.

Notifications Not Appearing

- Check that notification permissions are granted for the GloryFit Pro app in your phone's settings.
- Ensure the watch is connected to your phone via Bluetooth.
- Verify that "Do Not Disturb" mode is not active on either your watch or phone.

Inaccurate Activity Data

- Ensure the watch is worn snugly on your wrist, about one finger's width above the wrist bone.
- Keep the back of the watch (sensor area) clean and free from debris.
- Update the GloryFit Pro app and watch firmware to the latest versions.
