KIIROO 54062340000

KIIROO KEON Automatic Male Masturbator Instruction Manual

Model: 54062340000

1. INTRODUCTION

This manual provides essential instructions for the safe and effective use, setup, operation, and maintenance of your KIIROO KEON Automatic Male Masturbator. Please read this manual thoroughly before using the device and retain it for future reference.

2. SAFETY INFORMATION

General Safety Precautions

- Do not immerse the main device in water. The Feel Stroker is washable, but the electronic unit is not waterproof.
- Keep the device away from extreme temperatures, direct sunlight, and high humidity.
- Do not attempt to disassemble or repair the device yourself. Contact customer support for assistance.
- Use only the provided USB charging cable.
- Store the device out of reach of children.

Battery Safety

- The device contains a Lithium Ion battery. Do not expose the battery to fire or extreme heat.
- If the battery appears damaged or leaks, discontinue use immediately and dispose of it according to local regulations.
- Avoid overcharging the device. Disconnect the charger once charging is complete.

Legal Disclaimer

Statements regarding this product have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

3. PACKAGE CONTENTS

Your KIIROO KEON Combo pack includes the following items:

- 1 x KIIROO KEON Automatic Male Masturbator
- 1 x USB Charging Cable
- 1 x Feel Stroker (skin-like material insert)

4. PRODUCT OVERVIEW

The KIIROO KEON is an automatic male masturbator designed for interactive experiences. It features a motorized stroking mechanism and Bluetooth connectivity for integration with various digital content and devices.

Key Features:

- **Automatic Stroking:** Delivers up to 230 strokes per minute.
- **Controllable Stroke Length:** Adjust the depth of the stroking motion.

- **Bluetooth Connectivity:** Connects to partners, webcam performers, and interactive adult content (2D/VR).
- **Hands-Free System:** Designed for convenient, unassisted use.
- **PowerBlow Compatible:** Can be paired with the PowerBlow accessory (sold separately) for enhanced experiences.
- **Customizable Pleasure:** Compatible with various Feel Stroker inserts (sold separately) for different sensations.

KEON
**Supercharged solo play
in one package**

 Connect via Bluetooth to partners, webcam performers and 2D/VR adult content

 Quick installation process using the FeelConnect app

 Up to 230 strokes per minute

 Controllable stroke length

* PowerBlow compatible stroker is included

5. SETUP

5.1 Initial Charging

Before first use, fully charge your KEON device. Connect the provided USB charging cable to the device and a suitable USB power source. A full charge typically takes approximately 4 hours.

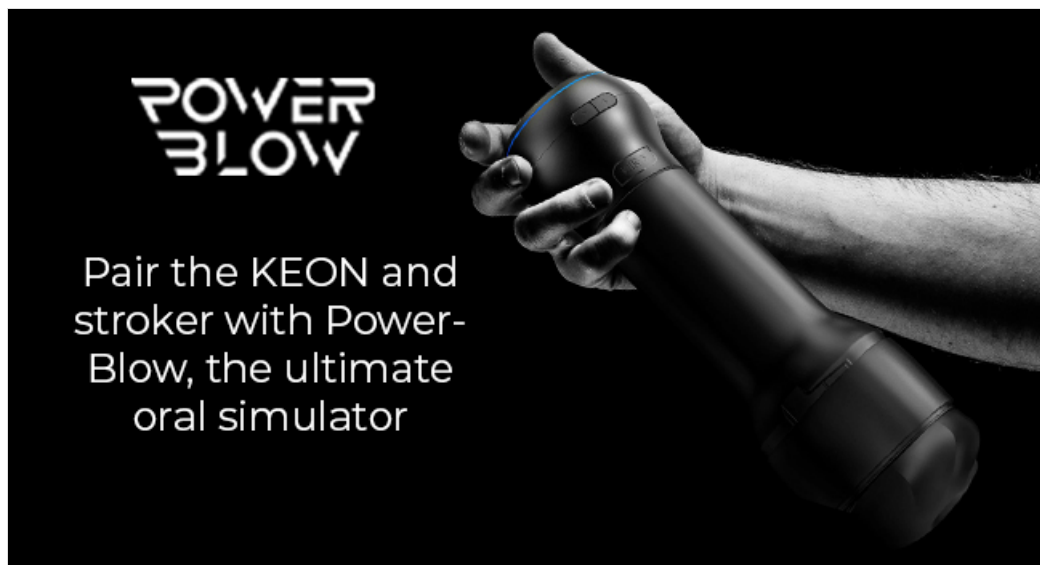

Image: Diagram showing battery specifications (16.8V 70mAh), charging time (4 hours), and user time (30 minutes to 2 hours).

5.2 Inserting the Feel Stroker

Gently insert the Feel Stroker into the KEON device. Ensure it is seated correctly and securely.

5.3 App Installation and Bluetooth Pairing

1. Download the 'FeelConnect' app from your device's app store.
2. Turn on your KEON device.
3. Enable Bluetooth on your smartphone or computer.
4. Open the FeelConnect app and follow the on-screen instructions to pair your KEON device.

6. OPERATING INSTRUCTIONS

6.1 Powering On/Off

Press and hold the power button on the KEON device to turn it on or off. Indicator lights will illuminate when the device is active.

6.2 Adjusting Stroke Settings

Once powered on and connected via Bluetooth, you can control the device's functions through the FeelConnect app or directly via buttons on the device (if available). Adjust the stroke rate up to 230 strokes per minute and customize the stroke length to your preference.

6.3 Interactive Connectivity

The KEON device is designed for immersive interactive experiences:

- **Connect to Interactive Content:** Sync with interactive videos, VR experiences, and games via the FeelConnect app.
- **Interact with Webcam Performers:** Experience synchronized sensations with live webcam performances.
- **Partner Connectivity:** Connect to a partner's compatible device for shared experiences.

7. MAINTENANCE AND CLEANING

7.1 Cleaning the Feel Stroker

After each use, remove the Feel Stroker from the KEON device. Wash the Feel Stroker thoroughly with warm water and a mild, toy-safe soap. Rinse completely and allow it to air dry before reinserting or storing.

7.2 Cleaning the KEON Device

Wipe the exterior of the KEON device with a damp cloth. Do not use abrasive cleaners or immerse the device in water. Ensure the charging port is dry before connecting the charging cable.

7.3 Storage

Store the KEON device and Feel Stroker in a clean, dry place, away from direct sunlight and extreme temperatures.

8. TROUBLESHOOTING

Device Not Turning On:

- Ensure the device is fully charged. Connect it to the charger for at least 30 minutes.
- Check the USB charging cable and power source for proper connection.

Bluetooth Connectivity Issues:

- Make sure Bluetooth is enabled on your smartphone or computer.
- Ensure the KEON device is within range of your connected device.
- Restart both the KEON device and your connected device.
- Try unpairing and re-pairing the device in the FeelConnect app settings.

Motor Not Functioning Correctly:

- Ensure the Feel Stroker is correctly inserted and not obstructing the mechanism.
- Check if the battery level is sufficient.
- If issues persist, contact KIIROO customer support.

9. SPECIFICATIONS
