

## ZYNCUE DUSTY 800+

# Instruction Manual: ZYNCUE Dust Bags

For Point DUSTY 800+ Vacuum Cleaner

## INTRODUCTION

---

Thank you for choosing ZYNCUE Dust Bags for your Point DUSTY 800+ vacuum cleaner. These replacement dust bags are designed to provide efficient filtration and maintain the optimal performance of your appliance. This manual provides essential information on installation, features, and maintenance to ensure a clean and hygienic home environment.

## PRODUCT FEATURES

---

- **Efficient 5-Layer Filtration:** These dust bags utilize a 5-layer filtration technology to maximize bag volume usage, effectively capturing dust, dirt, and debris. This ensures comprehensive filtration for a cleaner, healthier home environment.
- **Large Capacity:** Designed with a generous capacity, these dust bags can hold a significant amount of debris, reducing the frequency of replacements and providing longer performance.
- **Easy Installation:** The dust bags are designed for hassle-free use, making them simple to install and replace. Maintain your vacuum cleaner's suction power and efficiency by quickly replacing old or damaged bags.
- **Durable Construction:** Manufactured with longevity in mind, these dust bags are built to withstand regular use and resist tears. Their robust construction ensures reliable performance and extends the lifespan of your vacuum cleaner.
- **Maintains Clean and Hygienic Floors:** Regular use of these replacement bags helps maintain clean and hygienic floors. They are ideal for homes with pets and children, contributing to a better living environment by effectively capturing particles.

## INSTALLATION INSTRUCTIONS

---

Follow these steps to correctly install or replace the dust bag in your Point DUSTY 800+ vacuum cleaner:

1. **Prepare the Vacuum Cleaner:** Ensure your vacuum cleaner is turned off and unplugged from the power outlet before proceeding.
2. **Open the Dust Compartment:** Locate and open the dust compartment cover on your vacuum cleaner. Refer to your vacuum cleaner's manual if you are unsure of its location.
3. **Remove the Old Dust Bag (if applicable):** Carefully remove the full or old dust bag from its holder. Dispose of the old bag responsibly.
4. **Insert the New Dust Bag:** Align the cardboard collar of the new ZYNCUE dust bag with the bag holder in the vacuum cleaner. Push firmly until it is securely in place. Ensure the bag is fully unfolded inside the compartment.
5. **Close the Dust Compartment:** Close the dust compartment cover securely until it clicks into place. Ensure there are no gaps to prevent dust leakage.
6. **Ready for Use:** Your vacuum cleaner is now ready for use with the new dust bag.

The image displays two views of the dust bag. The left view shows the front of the bag with detailed measurements: total height 123mm, total width 78mm, cardboard collar height 56mm, opening diameter 34mm, and distance from top to opening 33mm. The right view shows the bag from an angle, indicating a folded dimension of 150x150x150mm when expanded.

## USAGE AND MAINTENANCE

---

To ensure optimal performance and longevity of your vacuum cleaner and dust bags:

- **Regular Replacement:** Replace the dust bag when it is full or when you notice a decrease in suction power. Overfilling the bag can reduce vacuum efficiency and potentially damage the motor.
- **Check for Obstructions:** Periodically check the vacuum cleaner's hose and attachments for any obstructions that might affect airflow and bag capacity.
- **Proper Disposal:** Always dispose of full dust bags in accordance with local waste disposal regulations.

## SPECIFICATIONS

---

Attribute	Detail
Product Name	Dust Bags
Material	Non-woven fabrics
Color	White
Compatibility	Point DUSTY 800+ Vacuum Cleaner
Package Quantity	4-pack or 10-pack (optional)
Product Dimensions (approx.)	16 x 16 x 4 cm (folded); 116 g (weight)
Internal Model Number	3O61A01C4407AY33G57YX1J7M05263

This image provides detailed measurements of the dust bag, crucial for verifying compatibility. Key dimensions include a total height of 123mm, a width of 78mm, and specific measurements for the cardboard collar (56mm height, 33mm from top to opening, 34mm opening diameter). The expanded bag dimensions are approximately 150x150x150mm.

## IMPORTANT NOTES

- Only use these dust bags with the specified Point DUSTY 800+ vacuum cleaner model to ensure proper fit and performance.
- Do not attempt to wash or reuse disposable dust bags, as this can compromise filtration efficiency and hygiene.
- Keep packaging materials away from children to prevent suffocation hazards.
