## WHAT'S IN THE BOX

The ANSTEN Y70 Open Ear Bluetooth Earbuds package includes:

- Open Ear Bluetooth Earbuds (1 pair)
- Charging Case (1)
- USB Charging Cable (1)

- User Manual (1)

## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Place the earbuds into the charging case. Connect the USB charging cable to the charging port on the case and to a power source.

Image: Charging case displaying battery levels for both the case and individual earbuds. The case provides up to 30 hours of additional playtime, with earbuds offering 6 hours per charge, and a full charge taking approximately 1.5 hours.

- The charging case features a digital display indicating its battery percentage.
- The earbuds will show charging status when placed in the case.
- A full charge for the case and earbuds takes approximately 1.5 hours.
- The earbuds provide up to 6 hours of playtime on a single charge, and the charging case extends total playtime to 30 hours.

### 2. Pairing with a Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing LED light (if applicable, refer to LED indicator section for details).
3. On your device (smartphone, tablet, laptop), enable Bluetooth.
4. Search for "ANSTEN Y70" in the list of available Bluetooth devices.
5. Select "ANSTEN Y70" to connect. Once connected, a voice prompt will confirm successful pairing.

The earbuds support Bluetooth 5.3 for a fast and stable connection.

## OPERATING INSTRUCTIONS

### Wearing the Earbuds

The ANSTEN Y70 earbuds feature an open-ear design with an ergonomic ear hook for a secure and comfortable fit. Position the ear hook over your ear, ensuring the speaker rests comfortably in front of your ear canal without blocking it. This design allows you to hear ambient sounds while enjoying your audio.

## MAINTENANCE

---

### Cleaning

Regularly clean your earbuds and charging case to ensure optimal performance and hygiene. Use a soft, dry, lint-free cloth to wipe the surfaces. For stubborn dirt, a slightly damp cloth can be used, but ensure no moisture enters the speaker grilles or charging ports.

### Water Resistance (IPX6)

The ANSTEN Y70 earbuds are IPX6 water-resistant, meaning they can withstand powerful water jets. This makes them suitable for sports and outdoor use, protecting against sweat and rain. However, they are not designed for submersion in water. Do not use them while swimming or showering.

### Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

---

If you encounter any issues with your ANSTEN Y70 earbuds, please refer to the following common solutions:

- **Earbuds not pairing:**

- Ensure both earbuds are fully charged.
- Place earbuds back in the case, close it, then open it again to re-enter pairing mode.
- Turn off Bluetooth on your device and turn it back on.
- Forget "ANSTEN Y70" from your device's Bluetooth list and try pairing again.

- **No sound from one earbud:**

- Check if both earbuds are charged.
- Try resetting the earbuds (refer to the full manual for specific reset instructions if available, otherwise, place them back in the case and reconnect).
- Ensure the volume is not muted on either the earbud or the connected device.

• **Charging issues:**

- Verify the charging cable is securely connected to both the case and the power source.
- Try a different USB charging cable or power adapter.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.

• **Touch controls unresponsive:**

- Ensure your fingers are clean and dry when using touch controls.
- Restart the earbuds by placing them in the case and taking them out again.
