SAFETY INFORMATION

- Always follow assembly instructions precisely. Incorrect assembly can lead to instability and injury.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 220 pounds (approximately 100 kg) for seating.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- The safety hinge is designed to prevent sudden lid closure. Do not force the lid open or closed.
- Avoid standing on the bench or using it as a step stool.

SETUP AND ASSEMBLY

The HOOBRO Storage Bench WH96CW01 is designed for straightforward assembly. All components are clearly numbered, and a detailed, illustrated instruction manual is included in the packaging. Necessary tools for assembly are also provided.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all numbered components and hardware are present according to the included parts list.
2. **Prepare Workspace:** Assemble the bench in the room where it will be used to avoid moving a heavy, assembled unit. Ensure you have enough space and a clean, flat surface.
3. **Follow Illustrated Steps:** Refer to the step-by-step illustrations in the provided manual. Attach components in the specified order, ensuring all screws and connectors are properly aligned and tightened.
4. **Install Safety Hinges:** Pay close attention to the installation of the safety hinges. These are crucial for the smooth and safe operation of the lid, preventing accidental closure.
5. **Final Check:** Once assembled, gently test the stability of the bench and the operation of the lid. Ensure all connections are secure.

OPERATING INSTRUCTIONS

The HOOBRO Storage Bench offers versatile storage and seating options.

Dual-Zone Storage

The bench features two distinct storage zones to help organize various items. The left side provides a hidden compartment, ideal for larger items such as blankets, pillows, or seasonal clothing. The right side includes an open cubby, suitable for smaller items like books, magazines, or frequently accessed toys.

Partitioned Storage

Keeps your home tidy and well-organized.

Safety Hinge Function

The lid is equipped with high-quality safety hinges that allow it to open and close smoothly. This mechanism includes a hover function, which holds the lid open at various angles, preventing it from slamming shut unexpectedly. This feature is particularly beneficial in households with children, providing ample time to access items without risk of injury.

Versatile Use

Beyond storage, the bench serves as a functional seating option. It can be used as a temporary shoe bench in an entryway, providing a convenient spot to sit while putting on or taking off footwear. Its sturdy construction supports up to 220 pounds.

MAINTENANCE

To ensure the longevity and appearance of your HOOBRO Storage Bench, follow these maintenance guidelines:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the particleboard finish.
- **Spills:** Clean up spills immediately to prevent staining or moisture damage to the particleboard.
- **Protection:** While the particleboard is resistant to warping, avoid prolonged exposure to direct sunlight or extreme humidity.
- **Hinges:** The safety hinges are designed for durability. If they become stiff, a small amount of silicone-based lubricant can be applied to the moving parts.
- **Rubber Bumpers:** The integrated rubber bumpers help prevent wear and tear and ensure quiet operation. Ensure they remain intact.

TROUBLESHOOTING

If you encounter any issues with your HOOBRO Storage Bench, consider the following common solutions:

- **Lid not closing smoothly:** Check the safety hinges for any obstructions or loose screws. Ensure they are properly aligned and tightened according to the assembly instructions.
- **Bench feels unstable:** Verify that all screws and fasteners are securely tightened. Gently rock the bench to identify any loose connections and re-tighten as needed. Ensure the bench is placed on a flat, even surface.
- **Missing parts:** If any components were missing upon delivery, contact the retailer or manufacturer immediately for assistance.
- **Surface damage:** For minor scratches, furniture repair pens or markers matching the color can be used. For significant damage, contact the manufacturer for advice.
