# Keyluv Full Bed Frame (Model KLVB-UF-06F) Instruction Manual

Arc-Shaped LED Lights, 47.2" Height Wingback Headboard, Storage Drawers

## PRODUCT OVERVIEW

---

The Keyluv Full Bed Frame (Model KLVB-UF-06F) is designed to provide both comfort and functionality. It features an arc-shaped LED light system integrated into a 47.2-inch high wingback headboard, offering customizable ambiance. The frame is upholstered in soft velvet fabric with button tufting, providing a stylish and comfortable surface. Two built-in storage drawers underneath the bed offer convenient space-saving solutions. This platform bed design eliminates the need for a box spring, supporting your mattress directly with sturdy wooden slats.

## ASSEMBLY INSTRUCTIONS

---

Assembly of the Keyluv Full Bed Frame is designed to be straightforward, typically taking approximately 30 minutes with clear, easy-to-read instructions provided in the package. It is recommended to have a second person assist during certain steps, especially when attaching the headboard.

### Preparation:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Verify that all parts listed in the 'Package Contents' section are present.
3. Identify all hardware and tools.

### Assembly Steps:

1. **Headboard Assembly:** Follow the specific instructions to connect any multi-piece headboard

components.

2. **Frame Construction:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Slat Installation:** Place the central support beam(s) and then evenly space and secure the wooden slats across the frame. The slats are designed for strong load-bearing capacity and include a silent foam strap to prevent noise.
4. **Drawer Assembly:** Assemble the two storage drawers according to the instructions. These drawers are designed to slide easily on wheels and feature a lock catch to prevent unintended movement.
5. **LED Light Installation:** Connect the LED light strip to the power source and ensure it is properly secured within the headboard.

## OPERATING INSTRUCTIONS

### LED Lights

The integrated arc-shaped LED lights on the headboard offer various customization options to enhance your room's ambiance. The lights can be controlled via a remote control or a Bluetooth app.

- **Color Options:** Choose from over 6000 static or dynamic colors.
- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Music Mode:** Synchronize the LED lights with music, allowing colors and patterns to change in time with the beat.
- **Timing Setting:** Set timers for the lights to turn on or off automatically.
- **Nightlight Function:** Utilize the LED lights as a soft nightlight.

## Multifunctional RGB LED Lights

### Storage Drawers

The bed frame includes two large storage drawers located underneath the footboard. These drawers are designed for easy access and efficient storage.

- **Easy Access:** The drawers slide smoothly on wheels, allowing for effortless opening and closing.
- **Secure Placement:** Each drawer features a lock catch to prevent it from sliding out unintentionally.
- **Anti-Slip Sticker:** An anti-slip sticker is included to help keep the drawers in place when closed.

## CARE AND MAINTENANCE

### Velvet Upholstery

- **Regular Cleaning:** Gently vacuum the upholstered surfaces with a brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first. Avoid excessive moisture.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading.

### LED Lights

- **Dusting:** Use a soft, dry cloth to gently wipe dust from the LED light strip and surrounding areas.
- **Avoid Liquids:** Do not spray cleaning liquids directly onto the LED lights or electrical components.

## General Frame Care

- **Hardware Check:** Periodically check and tighten all bolts and screws to ensure the frame remains stable and secure.
- **Drawer Maintenance:** Keep the drawer wheels free of debris to ensure smooth operation.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not turning on or responding to remote/app.	Power connection issue, remote battery dead, app not paired.	Check power cable connection. Replace remote battery. Re-pair app with LED controller.
Storage drawers not sliding smoothly or getting stuck.	Debris in wheels, drawer overloaded, lock catch engaged.	Clean wheels. Reduce load in drawer. Ensure lock catch is disengaged.
Bed frame wobbles or makes noise.	Loose hardware, uneven floor, slats not properly secured.	Tighten all bolts and screws. Ensure bed is on a level surface. Verify all slats are correctly installed and secured.
