SAFETY INFORMATION

To ensure safe use of your dresser, please observe the following:

- **Anti-Tipping Device:** An anti-tip kit is included to prevent accidental tipping. It is crucial to install this device securely to a wall stud or other appropriate anchor point. Failure to do so can result in serious injury.
- **Weight Distribution:** Distribute weight evenly across drawers. Place heavier items in lower drawers to enhance stability.
- **Children's Safety:** Do not allow children to climb on or play with the dresser. Keep drawers closed when not in use.
- **Placement:** Place the dresser on a level surface.

SETUP AND ASSEMBLY

Your DICTAC DDBT dresser requires assembly. A detailed instruction guide and all necessary tools are included with your purchase. The item is divided into multiple parts to ensure stability and ease of transport.

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all components are present against the provided parts list in the separate assembly guide.
2. **Assemble Frame:** Follow the step-by-step instructions to construct the main frame of the dresser.
3. **Install Drawer Slides:** Attach the metal slide rails to the dresser frame and the drawer boxes as directed.
4. **Assemble Drawers:** Construct the 6 drawers, ensuring the unique no-handle bevel design is correctly oriented.
5. **Insert Drawers:** Carefully insert the assembled drawers into the frame.
6. **Attach Anti-Tip Kit:** Securely install the anti-tip kit to the back of the dresser and to a wall stud.

For a visual overview of the dresser's features and assembly, please refer to the video below:

Video: This video demonstrates the features and assembly process of the DICTAC Tall Dresser, including drawer operation and overall design. Note: The video displays a white version of the dresser, but the features and assembly steps are identical.

OPERATING INSTRUCTIONS

The DICTAC DDBT dresser is designed for efficient and organized storage.

- **Drawer Operation:** The drawers feature a unique no-handle bevel design for a minimalist aesthetic. Simply pull from the top edge of the drawer front to open. High-quality metal slide rails ensure smooth and effortless opening and closing.
- **Storage Capacity:** The dresser includes two smaller drawers at the top and four spacious large drawers below, providing ample space for categorized storage of various items such as clothing, accessories, and linens.
- **Top Surface:** The sturdy tabletop can be used to display decorative items, photo frames, plants, or other personal belongings.

MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the engineered wood.
- **Drawer Rails:** Periodically check the metal slide rails for smooth operation. If needed, a small amount of silicone lubricant can be applied to maintain fluidity.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration of the finish.

TROUBLESHOOTING

- **Drawers Not Aligning:** If drawers appear misaligned, re-check the assembly instructions to ensure all components, especially the drawer slides and frame, are correctly installed and tightened. Slight adjustments to screws can often resolve minor alignment issues.
- **Unusual Odor (Off-gassing):** New furniture may sometimes emit a slight odor, known as off-gassing. To mitigate this, ensure the room is well-ventilated by opening windows and doors. The odor typically dissipates over a few days to weeks.
- **Damaged or Missing Parts:** If your dresser arrives damaged, scratched, or with missing parts, please contact DICTAC customer support immediately for assistance.

SPECIFICATIONS

Feature	Detail
Brand	DICTAC
Model Name	6 Drawers Dresser
