DICTAC DDBT

DICTAC Black Tall Dresser (Model DDBT) - Instruction Manual

Model: DDBT | Dimensions: 16.3"D x 26"W x 59.6"H

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your DICTAC Black Tall Dresser (Model DDBT). This dresser is designed to offer organized storage with its 8-drawer configuration, suitable for various household settings including bedrooms, closets, and hallways. Please read these instructions carefully before assembly and use to ensure safe and proper functionality.

2. SAFETY INFORMATION

Important Safety Warnings:

- **Anti-Tip Kit:** This dresser includes an anti-tip kit. It is crucial to install this kit securely to a wall stud to prevent the dresser from tipping over, which can cause serious injury or death. Always follow the provided instructions for anti-tip device installation.
- **Weight Distribution:** Distribute weight evenly across all drawers. Avoid placing heavy items in upper drawers only, as this can affect stability.
- **Children Safety:** Do not allow children to climb on drawers or the dresser. Keep heavy items in lower drawers.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened before use. Periodically check and re-tighten fasteners as needed.
- **Placement:** Place the dresser on a flat, level surface to ensure stability.

3. SETUP AND ASSEMBLY

The DICTAC Tall Dresser requires assembly. It is recommended to have at least two people for assembly due to the size and weight of the components. All necessary tools and a detailed instruction guide are included in the packaging.

3.1 Unpacking

- Carefully open the packaging and remove all components.
- Verify that all parts listed in the instruction guide are present and undamaged. If any parts are missing or damaged, contact customer service immediately.
- Keep packaging materials until assembly is complete in case of return or exchange.

3.2 Assembly Steps

Follow the step-by-step instructions provided in the included assembly manual. Pay close attention to diagrams and part numbers. Ensure all screws and fasteners are tightened securely but do not overtighten.

Key Assembly Points:

- Assemble the main frame first on a soft, clean surface to prevent scratches.
- Install the metal slide rails for each drawer, ensuring they are oriented correctly for smooth operation.
- Construct each drawer individually, ensuring the bottom panel is fully seated and secured.
- Attach the dustproof closure back panel to enhance stability and protect contents.
- Finally, install the anti-tip kit as per the safety instructions.

4. OPERATING INSTRUCTIONS

Your DICTAC Tall Dresser is designed for convenient storage and organization. It features 8 drawers: 6 spacious large drawers and 2 smaller drawers at the top.

4.1 Drawer Usage

- **Opening/Closing:** The drawers feature a unique no-handle bevel design. To open, gently pull the top edge of the drawer front. To close, push the drawer firmly until it is fully seated.
- **Storage Capacity:** Utilize the 6 large drawers for clothing items such as jeans, shirts, sweats, scarves, and bed sheets. The 2 smaller top drawers are ideal for accessories like socks, hats, cosmetics, and jewelry.

- **Weight Limit:** Avoid overloading drawers to ensure smooth operation of the metal slide rails and to prevent damage.

4.2 Top Surface Usage

The top surface of the dresser can be used to display decorative items, photo frames, or small plants. Ensure that any items placed on top do not exceed the weight capacity of the dresser and are stable to prevent falling.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your DICTAC Tall Dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Fasteners:** Periodically check all screws and fasteners and tighten them if they have loosened over time.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.

6. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common problems and solutions:

- **Drawers do not slide smoothly:**
 - Check if the metal slide rails are correctly installed and free from obstructions.
 - Ensure the drawer is not overloaded.
 - Verify that the dresser is placed on a level surface.
- **Dresser feels unstable:**
 - Confirm all assembly screws are tightened.
 - Ensure the anti-tip kit is properly installed and secured to a wall stud.
 - Verify the dresser is on a flat, level floor.
- **Unpleasant odor (off-gassing):**
 - New furniture may emit a slight odor initially. Ensure the room is well-ventilated by opening windows and doors.
 - If the odor persists, remove drawers and air them out in a well-ventilated area for several days.
- **Damaged or missing parts:**
 - If your dresser arrives with damaged, scratched, or missing parts, please contact DICTAC customer service for assistance.
