## SETUP AND ASSEMBLY

Your GarveeHome Sideboard Buffet Cabinet is designed for straightforward assembly. It is recommended to have at least two people for assembly due to the size and weight of the components.

### Before You Begin:

- Unpack all components and verify against the parts list provided in your packaging.
- Ensure you have the necessary tools (e.g., screwdriver, hammer).
- Clear a spacious area for assembly to prevent damage to the product or your flooring.

### Assembly Steps:

1. Follow the step-by-step instructions and diagrams included in your product packaging.
2. Identify and lay out all labeled parts as per the manual.
3. Assemble the main frame of the cabinet first, ensuring all connections are secure.
4. Attach the back panel, ensuring it is properly aligned to provide structural integrity.
5. Install the shelves at your desired height.
6. Attach the doors, carefully aligning hinges for smooth operation.
7. Install the handles.
8. Once assembled, carefully move the cabinet to its desired location.

## OPERATING INSTRUCTIONS

The GarveeHome Sideboard Buffet Cabinet is designed for versatile use in various home settings.

### Usage in Dining/Kitchen Areas:

- Use the glass-front sections to display fine dinnerware, glassware, or decorative items.
- Utilize the lower, solid-door sections for storing less frequently used kitchen utensils, small appliances, or pantry items.
- The top surface can serve as a buffet table during gatherings or a coffee bar station.

## MAINTENANCE

To ensure the longevity and appearance of your GarveeHome Sideboard Buffet Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. The waterproof surface allows for easy cleaning. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the wood finish.
- **Glass Care:** Clean glass doors with a standard glass cleaner and a lint-free cloth.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Placement:** Avoid placing the cabinet in direct sunlight or near heat sources to prevent warping or fading.

## TROUBLESHOOTING

If you encounter any issues with your cabinet, please refer to the following common solutions:

| Problem                                        | Possible Cause                           | Solution                                                                                      |
|------------------------------------------------|------------------------------------------|-----------------------------------------------------------------------------------------------|
| Doors are misaligned or do not close properly. | Hinges are loose or improperly adjusted. | Adjust the screws on the hinges to align the doors. Ensure the cabinet is on a level surface. |
| Cabinet feels wobbly or unstable.              | Loose fasteners or uneven flooring.      | Tighten all assembly screws. Use furniture levelers or shims if the floor is uneven.          |
| Damage during transport (dents/dings).         | External impact during shipping.         | Contact customer support with photos of the damage for assistance.                            |
