Setup

The Peg Perego Volo stroller is designed for quick and easy setup.

1. **Unfolding the Stroller:** To unfold, release the side clip that keeps the stroller in its folded position. Gently lift the handlebar and allow the stroller frame to extend until it locks into place. Ensure all locking mechanisms are engaged before placing a child in the stroller.
2. **Attaching the Front Bar:** The front bar can be easily attached or removed as needed.
3. **Adjusting the Canopy:** Extend the UPF 50+ canopy for sun protection. It can be unzipped for additional coverage.
4. **Adjusting the Footrest:** The footrest can be adjusted to provide comfortable leg support for your child.

Makes The Ultimate Sidekick

**Please check size requirements on your airline*

The compact folded size allows the stroller to fit into most airplane overhead bins, making it ideal for travel.

Operating

Your Peg Perego Volo stroller offers several features for comfortable and safe operation.

- **Harness System:** The stroller is equipped with a 5-point no-rethread harness system to securely fasten your child. Adjust the straps to ensure a snug and safe fit.
- **Reclining Backrest:** The backrest can be reclined to multiple positions, providing comfort for your child whether they are awake or napping.
- **Maneuverability:** The Easy Drive System with suspension wheels and precision ball bearings ensures smooth steering and handling on various surfaces.
- **Foot Brake:** A foot-operated brake is located at the rear wheels. Press down to engage the brake and lift up to release. Always engage the brake when the stroller is stationary.
- **Storage Basket:** A roomy storage basket is located underneath the seat, providing convenient space for essentials.

The stroller's design ensures comfort for your child during use.

The stroller is designed for ease of use in various travel scenarios.

Maintenance

Proper maintenance ensures the longevity and safe operation of your Peg Perego Volo stroller.

- **Fabric Care:** The fabric components of the stroller are machine washable. Refer to the care label for specific washing instructions.
- **Frame Cleaning:** Wipe the aluminum and plastic frame with a damp cloth and mild soap. Dry thoroughly.
- **Wheel Maintenance:** Regularly check the wheels for debris and ensure they spin freely. Clean as needed.
- **Storage:** When not in use, store the stroller in a dry place, ideally in its included travel bag, to protect it from dust and damage.

Troubleshooting

If you encounter any issues with your Peg Perego Volo stroller, please refer to the following common solutions:

- **Stroller not unfolding/folding smoothly:** Ensure all locking mechanisms are disengaged. Check for any obstructions in the folding joints. Apply a silicone-based lubricant to moving parts if necessary.
- **Wheels not turning freely:** Inspect wheels for trapped debris (e.g., hair, lint). Clean the wheel axles and apply a small amount of lubricant if needed.
- **Harness difficult to buckle/unbuckle:** Ensure the buckle components are clean and free of debris. Do not force the buckle.
