## Graco Shiloh 5-in-1 Convertible Crib & Changer with Drawer

# Graco Shiloh 5-in-1 Convertible Crib & Changer with Drawer Instruction Manual

Model: Shiloh 5-in-1 Convertible Crib & Changer with Drawer

## INTRODUCTION

---

Thank you for choosing the Graco Shiloh 5-in-1 Convertible Crib & Changer with Drawer. This manual provides essential information for the safe assembly, operation, and maintenance of your product. Please read all instructions carefully before assembly and keep this manual for future reference.

## SAFETY INFORMATION

---

Your Graco Shiloh Crib & Changer is designed and manufactured to meet or exceed all applicable safety standards. It is GREENGUARD Gold Certified, JPMA Certified, and expertly tested to meet ASTM and CPSIA safety standards.

## Safety-certified, award-winning crib

### Important Safety Warnings:

- Always ensure all hardware is securely tightened. Periodically check for loose hardware, damaged parts, or missing components.
- Do not use this crib if any parts are missing, damaged, or broken. Contact Graco for replacement parts.
- To prevent falls, when the child is able to climb out or reaches a height of 35 inches (89 cm), the crib should no longer be used.
- Never use plastic shipping bags or other plastic film as mattress covers. They can cause suffocation.
- Infants can suffocate on soft bedding. Never add a pillow, comforter, or thick padding under an infant.
- Ensure the mattress used is a standard full-size crib & toddler mattress that fits snugly without gaps.

### SETUP AND ASSEMBLY

---

The Graco Shiloh 5-in-1 Convertible Crib & Changer requires assembly. Included components are parts, hardware, and assembly instructions. Please refer to the detailed assembly instructions provided in the product packaging for step-by-step guidance.

## Before You Begin:

- Unpack all components and verify against the parts list in the separate assembly guide.
- Ensure you have all necessary tools (typically a Phillips head screwdriver and Allen wrench, often included).
- Assemble the crib in the room where it will be used to avoid moving a fully assembled unit.

## OPERATING INSTRUCTIONS: 5-IN-1 CONVERSION

The Graco Shiloh is designed to grow with your child, converting through five stages:

1. **Crib:** Standard configuration for infants.
2. **Toddler Bed:** Converts from crib by removing the front rail and adding compatible toddler guardrails (sold separately).
3. **Daybed:** Converts from crib by removing the front rail.
4. **Full-Size Bed with Headboard:** Converts using a compatible full-size bed conversion kit (sold separately).
5. **Full-Size Bed with Headboard and Footboard:** Converts using a compatible full-size bed conversion kit (sold separately).

### **Adjustable Mattress Support:**

The crib features an adjustable mattress support base with four height options. The highest setting is convenient for newborns, allowing easier access to your baby. Lower the mattress support as your child grows and becomes more mobile to prevent climbing out.

### **Integrated Changing Table:**

The attached changing table includes an extra drawer, an open shelf, and a water-resistant changing pad. Always use the provided safety strap when changing your baby.

### **Under-Crib Storage Drawer:**

A spacious under-crib drawer provides convenient storage for baby essentials. Ensure the drawer operates smoothly and is not overloaded.

## **MAINTENANCE**

---

To maintain the quality and safety of your Graco Shiloh Crib & Changer:

- **Cleaning:** Wipe with a damp cloth. Avoid abrasive cleaners or strong chemicals that could damage the finish.
- **Inspections:** Periodically inspect all screws, bolts, and other hardware to ensure they are tight and secure.
- **Storage:** If storing the crib, disassemble it according to the instructions and store all parts in a dry, temperature-controlled environment.

## TROUBLESHOOTING

---

### Common Issues and Solutions:

- **Wobbly Crib:** Check all bolts and screws to ensure they are fully tightened. Ensure all parts are correctly aligned according to the assembly instructions.
- **Drawer Sticking:** Ensure the drawer glides are properly installed and free of obstructions. Do not overload the drawer.
- **Missing Parts:** If you find any parts missing during assembly, do not proceed. Contact Graco customer support immediately for replacement parts.
